Sita's Daughters:

Sita's Daughters Leigh Minturn, 1993 Sita's Daughters vividly recounts the dramatic changes in role and status experienced by Rajput caste women in the Indian village Khalapur between 1955 and 1975. In the 20 years between her now classic original field study and her follow up with the same families, Leigh Minturn witnessed a significant decline in the women's observance of a complex system of customs collectively called purdah which includes the wearing of veils, silence in the presence of senior men, and women's adoption of subservient postures when speaking to men and the separation of husbands and wives. Her interviews with mothers and daughters in law reveal how changes in purdah customs and religious traditions have allowed them increased access to education and health facilities, control of finances and autonomy inside and mobility outside of their husbands' households. This work is unprecedented in its depth, scope and exposition of the intimate details of the lives of Indian women. Minturn's return to her original subjects allowed her to observe firsthand the changes that had transpired during the interim, resulting in the only Indian village field study to span two generations. Having won the trust and confidence of her subjects, the author poignantly conveys their individuality along with their stories of heroism, loyalty, infidelity, rape, incest, theft, and even murder. With even handedness and detailed scholarship, Minturn makes use of methods such as systematic sampling and structured interviewing that are effective in capturing the richness of Indian village life, though they are uncommon in anthropological studies. The wide range of issues addressed here will be of interest to students and researchers in women's studies, South Asian studies, anthropology, and cross cultural psychology, as well as to interested laypersons.

Dharma's Daughters Sara S. Mitter, 1991 A formidable achievement, Mitter spans almost the entire spectrum of the woman's question, providing both information and insight into the complex patterns that determine the image, self image, and status of women in contemporary India. Manini Chatterjee, *The Hindu*, India Book cover.

Sita- Women From Indian Mythology Maharanee Sunity Deva, 2021-04-03 Sita's journey from the lavish kingdom of Ayodhya to the forests of Chitrakoot continues to be a source of inspiration even today. Revisit her story from the eyes of Maharani Sunity Devi, who herself was an educationist and women rights activist, and explore its contemporary significance.

Story of Sita Nabeena Srikanth, 14-07-17 Was Ravana really a demon? Was Rama the perfect hero? History is always written by the winner, who is a male. What kind of hardships were endured by his closest kin to make him one? His wife Sita was the most affected by his needs. Sita is the epitome of womanhood. She is an emotional pillar to her father in childhood and her husband after marriage. She is an ambassador of the values of Ayodhya during her captivity and is rewarded with rejection by her husband for all her struggles. This is the story of her emotional development from a love struck teenager to an empty nested single mother. She is greatly revered even today in the island nation of Sri Lanka. In the far northern reaches of Bihar and in Nepal, daughters are never named Sita for fear of their struggling like her through life.

Sita Kate Millett, 2000. Presents moment by moment record of the fading of love with all of its agony and false dawn respites. This book follows the disintegration of the author's love affair with a woman who is ten years her senior, a veteran of several marriages and the mother of grown children. **The Untold Story**

of Sita Dena Merriam, 2020-02-19. The Untold Story of Sita replaces the traditional narrative of Sita's life as told in the Ramayana with Sita as she truly is: an incarnation of the great Devi Narayani. Sita comes to Earth to join Sri Ram in setting the foundation for a new civilization at a time when humans are becoming separate from the natural world. She seeks to embed a great love for the forests and rivers, plant and animal life in the hearts and minds of the people, and to share the high spiritual accomplishments of the great women, rishis, and sages, many of whom you meet along Sita's journey. This is a story of a woman's wisdom, courage, and strength; her love for the manifest and unmanifest worlds; and her selfless sacrifices for the welfare of all. So step into Sita's time and see what life was like during a more spiritually advanced age when there was an understanding of Dharma not just as duty but as an alignment with the higher forces of love that make possible the preservation of our world. **An Introduction to Sociology**

Pamela Abbott, Melissa Tyler, Claire Wallace, 2006-02. This third edition of this best-selling book confirms the ongoing centrality of feminist perspectives and research to the sociological enterprise and introduces students to the wide range of feminist contributions in key areas of sociological concern.

Completely revised, this edition includes new chapters on sexuality and the media, additional material on race and ethnicity.

disability and the body many new international and comparative examples the influence of theories of globalization and post colonial studies In addition the theoretical elements have also been fully rethought in light of recent developments in social theory Written by three experienced teachers and examiners this book gives students of sociology and women s studies an accessible overview of the feminist contribution to all the key areas of sociological concern **Education, Society, and Development** Jandhyala B. G. Tilak,2003 Contributed articles **Tradition and Liberation** Catherine A Robinson,2018-10-24 The text examines the role of the Hindu tradition in the ideology and methodology of the Indian women s movement By showing how leaders of the movement have restated aspects of the tradition it provides insight into the ways in which a women s movement can restate a religious tradition Throughout Indian society religion has been central to debate about the position of women and opposition to the women s movement has often been rationalised in terms of religion Through a review of the speeches and writings of leading figures of the movement from the nineteenth and twentieth centuries it identifies positive as well as negative representations of the tradition and its implications for women It shows when and why the movement has chosen either to offer a traditional justification for its aims and activities or to eschew such a justification in favour of an alternative rationale Unsettled Frontiers Sango Mahanty,2022-02-15 Unsettled Frontiers provides a fresh view of how resource frontiers evolve over time Since the French colonial era the Cambodia Vietnam borderlands have witnessed successive waves of market integration migration and disruption The region has been reinvented and depleted as new commodities are exploited and transplanted from vast French rubber plantations to the enforced collectivization of the Khmer Rouge from intensive timber extraction to contemporary crop booms The volatility that follows these changes has often proved challenging to govern Sango Mahanty explores the role of migration land claiming and expansive social and material networks in these transitions which result in an unsettled frontier always in flux where communities continually strive for security within ruptured landscapes Between Sex and Power Göran Therborn,2004 The institution of the family changed hugely during the course of the twentieth century In this major new work G ran Therborn provides a global history and sociology of the family as an institution and of politics within the family focusing on three dimensions of family relations on the rights and powers of fathers and husbands on marriage cohabitation and extra marital sexuality and on population policy Therborn s empirical analysis uses a multi disciplinary approach to show how the major family systems of the world have been formed and developed Therborn concludes by assessing what changes the family might see during the next century This book will be essential reading for anybody with an interest in either the sociology or the history of the family *Questioning Ramayanas* Paula Richman,2001 A wide ranging examination of the many different versions of India s greatest epic the Ramayana focusing on versions that subvert the dominant readings of the work **Veiled Gurus** Colleen M. Yim,2008 This work examines the social reality of a Hindu woman s involvement in the transmission of religious knowledge The two year ethnographic study traces the steps of Dalit women in an urban village in

New Delhi India in which Dr Yim explores the mother's role in life cycle rituals festivals vrats ritual fasts and daily life In this study Yim attempts to bridge the gap between the word of religious texts and the reality of the women's lives Despite the tradition of religious texts to overlook the role of women as teachers this study found that women are the primary agents of religious knowledge transmission The Dalit women in this study convey their erudition through informal education such as observation worship imitation and family responsibilities The implications of this study are not only to validate informal education as an effective means of teaching but to confirm the central role Hindu women have in the transmission of religious knowledge to their children

Evolutionary Relationships of Living Lemurs and Lorises (Mammalia, Primates) and Their Potential Affinities with European Eocene Adapidae Jeffrey H. Schwartz, Ian Tattersall, 1985 *The Indian Law Reports, Allahabad Series*, 1908 *Enemy Lines* Margaret Trawick, 2007-04-11 *Enemy Lines* captures the extraordinary story of boys and girls coming of age during a civil war Margaret Trawick lived and worked in Batticaloa in Eastern Sri Lanka where thousands of youth have been recruited into the Sri Lankan armed resistance movement known as the Tamil Tigers LTTE This compelling account of her experiences is a powerful exploration of how children respond to the presence of war in their world and of how adults have responded to the presence of children in this conflict What emerges from her beautifully written narrative which includes many voices of the children and young adults who have joined the LTTE is a picture of a region that has been profoundly affected by the horrors of war but where war is not the only thread in the fabric of people's lives these Sri Lankans fight and prepare for combat but they also play love celebrate and dream *Enemy Lines* the most extensive ethnographic account of the Tamil Tigers available advances a striking argument about the nature of war itself as it brings alive a region where childhood warfare and play have become commingled in a world of continual uncertainty

Gandhi's Tiger and Sita's Smile Ruth Vanita, 2005 *Gandhi's Tiger and Sita's Smile* presents a collection of compelling essays which interrogate a variety of Indian texts and contexts along intersecting axes of gender nation and desire The primary theme that weaves these varied essays together written at different points of time with varying focal points of interest is intertextuality Vanita examines the way in which medieval texts speak to each other and draw on earlier canonical works rewriting and transforming narrative in a spirit of respectful conversation She also looks at modern texts such as

nineteenth century poetry and twentieth century fiction and cinema as they converse with each other and with older texts In doing so she tries to explore how such pre modern and modern texts are received in later periods or by other cultures in the same period These captivating and intensely thought provoking writings demonstrate the author s superb ability to turn the norm whether Right wing or Left Wing on its head and find a fresh way to appreciate diversity and change and the valuable dialogue they give rise to
