Sky Is Red Discerning The Signs Of The Times:

The Sky is Red Kenneth Leech,1997 **Your End Times Prayer Secret** Jennifer LeClaire,2020-04-09 Enter into a dimension of prayer that hell doesn't want you to know about Are we living in the last days the end times Yes Should this cause us to be hopeless give up and just wait around for Jesus to take us off the planet and wait for everything to fall apart No While you live and Discerning Our Time Richard Bettez,2017-04-18 Discerning Our Time A Layman's Guide to End Time Events in America is a compelling look at historic and political trends that push the reader to look upon biblical facts as to where America fits in concerning future events This book is an easy read for people of all backgrounds and education levels It is a breakdown of exactly what scripture means from original language to historical settings that all connect to American society as we know it today Though this book gives greater enlightenment to the Christian community and is a solid resource for pastors to draw from it will truly be an eye opening experience for the open minded unbelievers or those who do not consider Christianity of any consequence within their lives The changes within American society and our culture as well as our political choices are highlighted within the word of God In this book they are accurately brought out Church denominations are put to the test as historical truths are revealed and many falsehoods about Christianity are dispelled Truth about American education business and government are documented with the light of scripture shining right next to the facts so the reader can judge for themselves Many teachers pastors and theologians don't believe America plays a significant role in the end times Some teach that it will be wiped off the map No one truly knows exact dates or for that matter what the antichrist will look like but there is a definite template laid out within the Bible America fits comfortably in that template This book is a must read if you are interested in what direction America is heading and who will rise to power in the near future

Church and Revolution Simon Hewitt,2020-03-15 Simon Hewitt argues that Marxism and Christianity have much to learn from each other and explores four themes that can provide starting points and common ground for continuing the conversation Atonement for a Sinless Society Alan Mann,2016-06-30 Sin isn't relevant anymore Alan Mann takes seriously this often heard assertion and instead goes in search of the real plight at the heart of contemporary western society What he finds there is a personal pervasive and self diminishing disease impacting the lives of millions of people shame With this insight Atonement for a Sinless Society seeks a fresh encounter with the biblical narrative building a more meaningful understanding of the story of Jesus and his disciples for the world in which we live and in doing so bringing the Christian understanding of atonement into the twenty first century **Hope in the Last Days** Dave Williams,2017-05-02 Understand how ancient biblical prophecies are coming to pass in our day how coming prophetic events will impact you and how there is hope for all followers of Christ Today there is a tremendous interest in Bible prophecy particularly because end time events prophesied long ago are coming to pass in an extraordinary manner Hope in the Last Days reveals based on prophecy fulfilled and yet to be fulfilled that very shortly the world will reel into its deepest hour of torment and agony Dave Williams

encourages you with the truth of how coming events will affect you and your loved ones and what God has planned as a way of escape for followers of Jesus Christ Demystifying the Prophetic Joseph Z,2024-06-04 Learn to Discern So You Won t Be Deceived Never before has culture had a greater need for clear prophetic insight while never before has so much prophetic error and controversy swirled around us to discredit legitimate prophetic voices Now more than ever true biblical prophecy must take its place at the forefront Joseph Z an international **The Coming Messiah** Elwood Mcduffie,2019-07-26 The Coming Messiah Hope for a Hurting World provides a glimpse of history and how the world arrived at this point in time by maintaining a focus on the nation of Israel God s redemptive story is woven throughout its pages providing encouragement and hope for those who may feel they have no hope We see war and strife on every side distress among nations famine and disease and a time when evil is called good and good is called evil Yet even in the midst of extreme difficulty and persecution you can find peace you can have hope hope that can only be found in the person of Jesus Christ The Coming Messiah Hope for a Hurting World tells how you can have that hope hope that surpasses all understanding Difficult times are sure to come yet God has provided a way of escape through his dear Son Jesus Christ *Decoding the Mystery of When Will Jesus Return* Raymond J. Moore,2017-10-03 Is there a specific Bible prophecy that must first be fulfilled before the return of Jesus Christ Yes While it is true that no exact date can be set for this event the scriptures provide us with a clear context of specific world events that will create the time line for Jesus return Jesus said Of that day and hour no one knows Matt 24 36 If this was meant to be a mystery it was also meant to be revealed eventually Amos 3 7 says Surely the Lord God does nothing unless He reveals His secret to His servants the prophets This book brings to light the hidden mystery contained in the scripturesthat the return of Jesus Christ should not be a surprise to those who believe Jesus also made it clear that there will be a final and specific generation who will witness the fulfillment of all remaining end of time prophecies This book brings clarity regarding the great tribulation Is it seven years or three and a half years What is the wrath of God and why and how does it play a role in the last days Beyond the general prophecies of wars famines earthquakes etc lies a great wealth of other specific and unique signs that will indicate the imminent return of Jesus Are you ready **Preparing for Christ's Return** Charles F. Stanley,1999-10-01 Dr Charles Stanley s new series of Bible study guides features insights and wisdom of this beloved pastor and author Small groups and individuals who want a Bible study that s spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world Each title takes a unique fourfold approach to get the most out of Bible study time emphasizing personal identifications with the Scripture passage recognition of your emotional response reflection of the passage s meaning and application and taking steps to apply what s been learned This is a sound way to explore the Word of God
