THE SLEEP OF BABY FILBERTSON

The book cover features a stylized illustration. In the foreground, a woman is depicted lying down, her head resting on a pillow, appearing to be asleep. She is wearing a light-colored, possibly white, dress or nightgown. The background is a dark, solid color, and above the woman, a group of approximately ten people, mostly men and women of various ages, are shown looking down at her with expressions of concern or curiosity. The illustration is rendered in a simple, graphic style with bold lines and a limited color palette of black, white, and a muted blue-grey for the background figures.

Huxford's Old Book Value Guide Bob Huxford, 1991 Nearly 25 000 titles with current values fill this hardbound book Much more than just a typical price guide the book is a directory with scores of actual buyers listed by the subject matter they are searching for as well as dealers offering the books at listed prices It will put you in touch with a person interested in buying or selling the books you have piled on your bookshelves *Understanding James Leo Herlihy* Robert

Ward, 2012-08-24 *Understanding James Leo Herlihy* is the first book length study of one of America's most neglected post war writers Herlihy 1927 1993 an occasional actor made his professional mark in life as a playwright and novelist Herlihy's body of work includes numerous plays two collections of short stories and three novels His best known novel *Midnight Cowboy* was later adapted into a screenplay by John Schlesinger It was the only X rated movie to receive an Academy Award three in fact in 1969 best picture best director and best adapted screenplay In *Understanding James Leo Herlihy* Robert Ward examines Herlihy's writing with reference to its historical cultural and personal contexts Ward portrays Herlihy as a product of his environment influenced by the 1950s and 1960s culture including the youth rebellion the erosion of the traditional family and the increasing sexual liberation Herlihy's award winning novels plays and short stories display persistent themes of displacement alienation and the loss of innocence all themes that Ward views as parallel to Herlihy's personal life Through a biographical introduction and a detailed discussion of the major novels plays and short stories Ward details the writer's successful works **Shooting Midnight Cowboy** Glenn Frankel, 2021-03-16 Much more than a page

turner It's the first essential work of cultural history of the new decade Charles Kaiser *The Guardian* One of *The Washington Post*'s 50 best nonfiction books of 2021 *A Publishers Weekly* best book of 2021 The Pulitzer Prize winning journalist and New York Times bestselling author of the behind the scenes explorations of the classic American Westerns *High Noon* and *The Searchers* now reveals the history of the controversial 1969 Oscar winning film that signaled a dramatic shift in American popular culture Director John Schlesinger's *Darling* was nominated for five Academy Awards and introduced the world to the transcendently talented Julie Christie Suddenly the toast of Hollywood Schlesinger used his newfound clout to film an

expensive Panavision adaptation of Far from the Madding Crowd Expectations were huge making the movie's complete critical and commercial failure even more devastating and Schlesinger suddenly found himself persona non grata in the Hollywood circles he had hoped to conquer Given his recent travails Schlesinger's next project seemed doubly daring bordering on foolish James Leo Herlihy's novel Midnight Cowboy about a Texas hustler trying to survive on the mean streets of 1960's New York was dark and transgressive Perhaps something about the book's unsparing portrait of cultural alienation resonated with him His decision to film it began one of the unlikelier convergences in cinematic history centered around a city that seemed at first glance as unwelcoming as Herlihy's novel itself Glenn Frankel's Shooting Midnight Cowboy tells the story of a modern classic that by all accounts should never have become one in the first place The film's boundary pushing subject matter homosexuality prostitution sexual assault earned it an X rating when it first appeared in cinemas in 1969 For Midnight Cowboy Schlesinger who had never made a film in the United States enlisted Jerome Hellman a producer coming off his own recent flop and smarting from a failed marriage and Waldo Salt a formerly blacklisted screenwriter with a tortured past The decision to shoot on location in New York at a time when the city was approaching its gritty nadir backfired when a sanitation strike filled Manhattan with garbage fires and fears of dysentery Much more than a history of Schlesinger's film Shooting Midnight Cowboy is an arresting glimpse into the world from which it emerged a troubled city that nurtured the talents and ambitions of the pioneering Polish cinematographer Adam Holender and legendary casting director Marion Dougherty who discovered both Dustin Hoffman and Jon Voight and supported them for the roles of Ratso Rizzo and Joe Buck leading to one of the most intensely moving joint performances ever to appear on screen We follow Herlihy himself as he moves from the experimental confines of Black Mountain College to the theatres of Broadway influenced by close relationships with Tennessee Williams and Ana's Nin and yet unable to find lasting literary success By turns madcap and serious and enriched by interviews with Hoffman Voight and others Shooting Midnight Cowboy Art Sex Loneliness Liberation and the Making of a Dark Classic is not only the definitive account of the film that unleashed a new wave of innovation in American cinema but also the story of a country and an industry beginning to break free from decades of cultural and sexual repression
