Bayou Days-The Summer of 61 G. Artie Whitlow,2000-09-21 The Summer of 61 was the title of a song sung by the Boss himself Bruce Springsteen Now it is the title of a book written by an author in the Blue Bayou Country of Baton Rouge Louisiana If you want a murder mystery don t read this book However if you like the mysteries of life this is the book for you Did Skeeter ever marry his childhood sweetheart This is a true to life love story not only between friends and family but of

the love of life itself The Summer of 61 is just that a summer in a boy's life A summer filled with the dreams the hopes and all the anticipations of a young lad envisioning his future It is also a reflection under those marshmallow skies of Louisiana through kaleidoscope eyes of an earlier life The novel is stimulating interesting mixture of fact and fiction about dreams that never did quite make it to reality To me it was also a self help book It will make you snicker bring a tear to your eye and perhaps a wake up call to reality Reading this book gave me the opportunity to know the author just a little bit better It also made me realize that today my dreams in life have changed Where once I dreamed of becoming an award winning Journalist today I dream of making a 2 000 mile trip to throw my arms around my son's neck and to make some memories with my grandchildren I don't live in Louisiana I live in Canada The book shows that no matter who we are or where we live we are so similar and so are our needs The novel is about family love life and dreams You can't read The Summer of 61 without being changed Linda Shirley Canada *JK Haru is a Sex Worker in Another World: Summer* Ko Hiratori, 2019-08-17 The much anticipated sequel to JK Haru is a Sex Worker in Another World is here in the form of a short story collection What happens to Haru after the main story Does she meet the rainy weather man again Meanwhile Chiba has some new encounters and gradually finds his way in the other world **Hungry** Sheila Himmel, Lisa Himmel, 2009-08-04 A unique eating disorder memoir written by a mother and daughter Unbeknownst to food critic Sheila Himmel as she reviewed exotic cuisines from bistro to brasserie her daughter Lisa was at home starving herself Before Sheila fully grasped what was happening her fourteen year old with a thirst for life and a palate for the flavors of Vietnam and Afghanistan was replaced by a weight obsessed antisocial hundredpound nineteen year old From anorexia to bulimia and back again many times the Himmels feared for Lisa's life as her disorder took its toll on her physical and emotional well being Hungry is the first memoir to connect eating disorders with a food obsessed culture in a very personal way following the stumbles the heartbreaks and even the funny moments as a mother daughter relationship and an entire family struggles toward healing *The Summer Island Swap* Samantha Tonge, 2020-05-07 A charming story Lucy Coleman bestselling author of Summer in Provence Full of warmth Maggie Conway Sometimes the best holidays are the ones you least expect After a long and turbulent year Sarah is dreaming of the five star getaway her sister has booked them on White sands cocktails massages the Caribbean is calling to them But the sisters turn up to tatty beaches basic wooden shacks a compost toilet and outdoor cold water showers It turns out that at the last minute Amy decided a conservation project would be much more fun than a luxury resort So now Sarah's battling mosquitos trying to stomach fish soup and praying for a swift escape Life on a desert island though isn't all doom and gloom They're at one with nature learning about each other and making new friends And Sarah is distracted by the dishy yet incredibly moody island leader she's sure is hiding a secret Perfect for fans of Holly Martin Mandy Baggot and Heidi Swain Praise for The Summer Island Swap Another page turner from this extremely talented writer Amazon 5 Review A fabulous read and one I would definitely recommend Amazon 5 Review This is a heartwarming story of discovery and

acceptance that left me with a big smile on my face Amazon 5 Review If the film The Holiday was set in the Caribbean The Summer Island Swap would be the result NetGalley 5 Review The perfect read for summer NetGalley 5 Review A brilliant and sunshine filled read that I loved from beginning to end NetGalley 5 Review **A Champion's Mind** Pete Sampras, Peter Bodo, 2009-05-26 In A Champion's Mind the tennis great who so often exhibited visible discomfort with letting people inside his head finally opens up An athletic prodigy Pete resolved from his earliest playing days never to let anything get in the way of his love for the game But while this determination led to tennis domination success didn't come without a price Here for the first time Pete speaks freely about the personal trials he faced including the death of a longtime coach and confidant and the struggles he gutted his way through while being seemingly on top of the world Among the book's most riveting scenes are the devastating early loss that led Pete to make a monastic commitment to the game fierce on court battles with Andre Agassi and the triumphant last match of Pete's career at the finals of the 2002 U S Open A thoroughly compelling read that really probes the hard drive of a champion All the emotion and insight that Sampras seems reluctant to express during his playing days come spilling forth Jon Wertheim senior writer Sports Illustrated **32 Linden Avenue** Joan H. Parks, 2013-12 32 Linden Avenue is perched high up on a hill overlooking a small town in western Pennsylvania and is the heart of this evocative journey through the author's fragmented memories of Appalachia The murmuring of the women the love and everyday lives of those living in the hard hill country and then the drenching of those memories in the deep hushed and hovering Protestant faith of that time and that place is woven into a spell drenched in the detailed memories of everyday life A child temporarily separated from her father and mother and brother by fate found magic and succor and most of all enduring love The young mother sees the same magic through older eyes and in the midst of the pain of her mother's final illness and bitter frustrated life is as when a child comforted by her family from the hill Haunted throughout her life the author sees all this from even older eyes and vows that her children and now grandchildren shall not be deprived of the chance to seize meaning and beauty and thus comfort from these remembrances **Faraway Summer** Johanna Hurwitz, 2014-06-30 Two weeks seems like forever to Dossi Rabinowitz a poor Jewish orphan from New York City who is sent by the Fresh Air Fund to a small Vermont town during the summer of 1910 With her journal as her closest companion Dossi reflects on her struggle to understand her Christian host family and their rural community
