Speaking To Power Gender Politics In The Western Pacific:

Speaking to Power Lynn B. Wilson, 1995 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company Gender and Global Politics in the Asia-Pacific B. D'Costa, K. Lee-Koo, 2008-12-22 This book demonstrates the integral nature of gendered issues and feminist frameworks for a comprehensive understanding of contemporary IR bringing together the work of feminist scholars teachers and activists into a coherent and accessible collection Speaking to Power Lynn Wilson, 2020-08-11 For nearly fifty years US government officials have identified Belau in western Micronesia as a key strategic site and have implemented administrative policies designed to maintain permanent access to Belau's land reefs and waters for military purposes Elder women placed themselves at the forefront of opposition to these policies and as part of oppositional efforts successfully entered international political arenas *Speaking to Power* moves beyond examining the impact of militarism and colonial administrative policy in Belau and draws on feminist poststructural analysis to explore the fluidity of contests in constructions of gender politics and tradition during US administration in Belau **Gender and Globalization in Asia and the Pacific** Kathy E. Ferguson, Monique Mironesco, 2008-08-01 What is globalization How is it gendered How does it work in Asia and the Pacific The authors of the sixteen original and innovative essays presented here take fresh stock of globalization's complexities They pursue critical feminist inquiry about women gender and sexualities and produce original insights into changing life patterns in Asian and Pacific Island societies Each essay puts the lives and struggles of women at the center of its examination while weaving examples of global circuits in Asian and Pacific societies into a world frame of analysis The work is generated from within Asian and Pacific spaces bringing to the fore local voices and claims to knowledge The geographic emphasis on Asia Pacific highlights the complexity of globalizing practices among specific people whose dilemmas come alive on these pages Although the book focuses on global gendered flows it expands its investigation to include the media and the arts intellectual resources activist agendas and individual life stories First rate ethnographies and interviews reach beyond generalizations and bring Pacific and Asian women and men alive in their struggles against globalization Globalization cannot be summed up in a neat political agenda but must be actively contested and creatively negotiated Taking feminist political thinking beyond simple oppositions the authors ask specific questions about how global practices work how they come to be who benefits and what is at stake Contributors Nancie Caraway Steve Dern Cynthia Enloe Kathy Ferguson Maria Ibarra Gwyn Kirk Sally Merry Virginia Metaxas Min Dongchao Monique Mironesco Rhacel Parrenas Lucinda Peach Vivian Price Jyoti Puri Judith Raikin Nancy Riley Saskia Sassen Teresia Teaiwa Chris Yano Yau Ching *Guano and the Opening of the Pacific World* Gregory T. War at the Margins Lin Poyer, 2022 War at the Margins offers a broad comparative view of the impact of World War II on Indigenous societies Using historical and ethnographic sources Lin Poyer examines how Indigenous communities emerged from the trauma of the wartime era with social forms and cultural ideas that laid the foundations for their twenty first century emergence as players on the world's political stage With a focus on Indigenous voices and agency a global overview reveals the enormous range of wartime activities and impacts on these groups connecting this work with comparative history Indigenous studies and anthropology The distinctiveness of Indigenous peoples offers a valuable perspective on World War II as those on the margins of Allied and Axis empires and nation states were drawn in as soldiers scouts guides laborers and victims Questions of loyalty and citizenship shaped Indigenous combat roles from integration in national armies to service in separate ethnic units to unofficial use of their special skills where local knowledge tilted the balance in military outcomes Front lines crossed Indigenous territory most consequentially in northern Europe Southeast Asia and the Pacific Islands but the impacts of war go well beyond combat Like others around the world Indigenous civilian men and women suffered bombing and invasion displacement forced labor military occupation and economic and social disruption Infrastructure construction and demand for key resources affected even areas far from front lines World War II dissolved empires and laid the foundation for the postcolonial world Indigenous people in newly independent nations struggled for autonomy while other veterans returned to home fronts still steeped in racism National governments saw military service as evidence that Indigenous peoples wished to assimilate but wartime experiences confirmed many communities commitment to their home cultures and opened new avenues for activism By century's end Indigenous Rights became an international political force offering alternative visions of how the global order might make room for greater local self determination and cultural diversity In examining this transformative era War at the Margins adds an important contribution to both World War II history and to the development of global Indigenous identity

Women and Violence Kathleen Nadeau, Sangita Rayamajhi, 2019-11-08 This important and timely reference work examines violence against women and gender based discrimination around the world providing a global perspective on why this kind of oppression is still occurring in the 21st century Within the past decade the attention that has been paid to violence against women by international government organizations such as the United Nations and World Health Organization has grown Yet silences around the violent treatment of women remains across the world particularly in those countries where women's rights are not protected and statistics are not available Women and Violence encompasses a global perspective of the history causes

and complex underpinnings of gender and violence from a multidimensional and cross disciplinary perspective Chapters focus on a specific world region including North America Latin America and the Caribbean Europe North Africa and the Middle East Sub Saharan Africa Central and East Asia South and Southeast Asia and Oceania Each chapter begins with a general discussion on its world region then focuses on particular forms of violence against women in the more specific contexts of particular countries and in relation to the wider region Readers will be able to make cross cultural comparisons learning how to view gender based violence and women s advocacy against discrimination that is occurring around the world

Placental Politics Christine Taitano DeLisle, 2022-01-06 From 1898 until World War II U S imperial expansion brought significant numbers of white American women to Guam primarily as wives to naval officers stationed on the island Indigenous CHamoru women engaged with navy wives in a range of settings and they used their relationships with American women to forge new forms of social and political power As Christine Taitano DeLisle explains much of the interaction between these women occurred in the realms of health care midwifery child care and education DeLisle focuses specifically on the pattera Indigenous nurse midwives who served CHamoru families Though they showed strong interest in modern delivery practices and other accoutrements of American modernity under U S naval hegemony the pattera and other CHamoru women never abandoned deeply held Indigenous beliefs values and practices especially those associated with inafa maolek a code of behavior through which individual collective and environmental balance harmony and well being were stewarded and maintained DeLisle uses her evidence to argue for a placental politics a new conceptual paradigm for Indigenous women s political action Drawing on oral histories letters photographs military records and more DeLisle reveals how the entangled histories of CHamoru and white American women make us rethink the cultural politics of U S imperialism and the emergence of new Indigenous identities
