Spinster Tales And Womanly Possibilities:

Spinster Tales and Womanly Possibilities Naomi Braun Rosenthal, 2002-01-01 Today there are few traces of the spinster's existence the options open to women have dramatically changed but we continue to grapple with concerns about women's desires and the future of the family **BOOK JACKET** *Spinster Tales and Womanly Possibilities* Naomi Braun

Rosenthal, 2012-02-01 The spinster once a ubiquitous figure in American popular culture has all but vanished from the scene Intrigued by the fact that her disappearance seems to have gone unnoticed Naomi Braun Rosenthal traces the spinster's life and demise by using stories from the Ladies Home Journal from 1890 1913 and 1933 along with Hollywood films from the 1940s and 1950s such as *It's a Wonderful Life* *Now Voyager* and *Summertime* among others Originally invoked as a symbol of female independence a hundred years ago when marriage and career were considered to be incompatible choices for women spinsterhood was advocated as an alternate path by some and viewed as a threat to family life by others Today there are few traces of the spinster's existence the options open to women have dramatically changed but we continue to grapple with concerns about women's desires and the future of the family **Spinster** Kate Bolick, 2015 A single woman considers her life the life of the bold single ladies who have gone before her and the long arc of slowly changing attitudes towards women

Circulating Queerness Natasha Hurley, 2018-06-19 A new history of the queer novel shows its role in constructing gay and lesbian lives The gay and lesbian novel has long been a distinct literary genre with its own awards shelving categories bookstore spaces and book reviews But very little has been said about the remarkable history of its emergence in American literature particularly the ways in which the novel about homosexuality did not just reflect but actively produced queer life Drawing on Mikhail Bakhtin's insight that the history of society is connected to the history of language author Natasha Hurley charts the messy complex movement by which the queer novel produced the very frames that made it legible as a distinct literature and central to the imagination of queer worlds Her vision of the queer novel's development revolves around the bold argument that literary circulation is the key ingredient that has made the gay and lesbian novel and its queer forebears available to its audiences Challenging the narrative that the gay and lesbian novel came into view in response to the emergence of homosexuality as a concept Hurley posits a much longer history of this novelistic genre In so doing she revises our understanding of the history of sexuality as well as of the processes of producing new concepts and the evolution of new categories of language **Collaborative Humanities Research and Pedagogy** Katherine Ellison, Susan M.

Kim, 2022-10-10 This edited collection of essays brings together scholars across disciplines who consider the collaborative work of John Matthews Manly and Edith Rickert philologists medievalists and early modernists cryptologists and education reformers These pioneers crafted interdisciplinary partnerships as they modeled and advocated for cooperative alliances at every level of their work and in all their academic relationships Their extensive network of intellectual partnerships made possible groundbreaking projects from the eight volume *Text of the Canterbury Tales* 1940 to the deciphering of the

Waberski Cipher yet except for their Chaucer work their many other accomplishments have received little attention Collaborative Humanities Research and Pedagogy not only surveys the rich range of their work but also emphasizes the transformative intellectual and pedagogical benefits of collaboration

Fallen Among Reformers Professor Janet Lee, 2020-06-01 *Fallen Among Reformers* focuses on Stella Miles Franklin's New Woman protest literature written during her time in Chicago with the National Women's Trade Union League 1906-1915 This time away from literary pursuits enriched Franklin's literary productivity and provided a feminist social justice ethics which shaped her writing Close readings of Franklin's mostly unpublished short stories plays and novels contextualises them in the personal politics of her everyday life and historicises them in the socio-economic and literary realities of early twentieth century Australia and United States themes embedded in broader cultural patterns of socialism pacifism and feminism

Girl Sleuth Melanie Rehak, 2018-06-01 The true story behind the iconic fictional detective is a fascinating chapter in the history of publishing The Seattle Times An Edgar Award Winner for Best Biography and a Chicago Tribune Best Book of the Year The plucky titian haired sleuth solved her first mystery in 1930 and eighty million books later Nancy Drew has survived the Depression World War II and the sixties when she was taken up with a vengeance by women's libbers to enter the pantheon of American culture As beloved by girls today as she was by their grandmothers Nancy Drew has both inspired and reflected the changes in her readers' lives Here in a narrative with all the page turning pace of Nancy's adventures Melanie Rehak solves an enduring literary mystery Who created Nancy Drew And how did she go from pulp heroine to icon The brainchild of children's book mogul Edward Stratemeyer Nancy was brought to life by two women Mildred Wirt Benson a pioneering journalist from Iowa and Harriet Stratemeyer Adams a well bred wife and mother who took over her father's business empire as CEO In this century spanning absorbing and delightful story the author traces their roles and Nancy's in forging the modern American woman The Wall Street Journal It's truly fun to see behind the scenes of the girl sleuth's creation Publishers Weekly As much a social history of the times as a book about the popular series Those who followed the many adventures of Nancy Drew and her friends will be fascinated with the behind the scenes stories of just who Carolyn Keene really was School Library Journal Sheds light on perhaps the most successful writing franchise of all time and also the cultural and historic changes through which it passed Grab your flashlights girls The mystery of Carolyn Keene is about to begin Karen Joy Fowler

The Beijing Young Women's Christian Association, 1927-1937 Aihua Zhang, 2021-11-16 By exploring the interplay among gender religion and modernity this book exposes the part Chinese Christian women played in China's quest for a strong nation in general and in Republican Beijing's modern transformation in particular Focusing on the Beijing Young Women's Christian Association YWCA the author examines how the Association guided by the Christian tenet to serve not to be served tailored its Western models and devised new programs to meet the city's demands Its enterprises ranged from providing women and child oriented facilities to promoting constructive recreational activities and from reforming home

and family to improving public health Through an analysis of these endeavors the author argues that the Chinese YW women s contribution to the city s modernity was a creative embodiment of the then socially targeted missionary movement known as the Social Gospel In the process they demonstrated their distinctive new ideals of womanhood featuring practicality social service and broad cooperation These qualities set them apart from both traditional women and other brands of the New Woman While criticized as trivial their efforts however pioneered modern social service in China and complemented what municipal authorities and other progressive groups undertook to modernize the city

All the Single Ladies Rebecca Traister, 2016-03-01 NEW YORK TIMES NOTABLE BOOKS OF 2016 SELECTION BEST BOOKS OF 2016 SELECTION BY THE BOSTON GLOBE ENTERTAINMENT WEEKLY NPR CHICAGO PUBLIC LIBRARY The New York Times bestselling investigation into the sexual economic and emotional lives of women is an informative and thought provoking book for anyone not just the single ladies who want to gain a greater understanding of this pivotal moment in the history of the United States The New York Times Book Review In 2009 award winning journalist Rebecca Traister started All the Single Ladies about the twenty first century phenomenon of the American single woman It was the year the proportion of American women who were married dropped below fifty percent and the median age of first marriages which had remained between twenty and twenty two years old for nearly a century 1890 1980 had risen dramatically to twenty seven But over the course of her vast research and more than a hundred interviews with academics and social scientists and prominent single women Traister discovered a startling truth the phenomenon of the single woman in America is not a new one And historically when women were given options beyond early heterosexual marriage the results were massive social change temperance abolition secondary education and more Today only twenty percent of Americans are married by age twenty nine compared to nearly sixty percent in 1960 An informative and thought provoking book for anyone not just single ladies The New York Times Book Review All the Single Ladies is a remarkable portrait of contemporary American life and how we got here through the lens of the unmarried American woman Covering class race sexual orientation and filled with vivid anecdotes from fascinating contemporary and historical figures we re better off reading Rebecca Traister on women politics and America than pretty much anyone else The Boston Globe

Humanities ,2002-11
