

The background of the slide features a complex, glowing molecular or network structure in shades of blue and purple. In the center, there is a stylized human figure. The figure's torso is filled with a bright, multi-colored energy field, and several DNA double helix structures are visible within this field. The figure's arms are extended outwards, and the hands are also filled with a glowing, fibrous energy pattern. The overall aesthetic is futuristic and scientific, suggesting themes of genetics, energy, or the human body's internal systems.
