Spirit Lost:

Spirit Moon William Sarabande, 2000-08-01 The First Americans Saga continues As the retreating ice age scars the land old rivalries between the survivors threaten the first Americans As the Age of Ice ends the People must follow a new path for survival Led by their powerful headman T r n rssuk they begin a treacherous journey to the Great River of the White Whales where they hope to hunt trade and reunite with friendly tribes But a young shaman has foreseen a sign of doom T r n rssuk is filled with grave doubts A fierce wildfire a blood red moon and rumors of a great white mammoth could foretell the death of the People T r n rssuk also faces treachery from both within and without his clan There are those who believe he has lost his ability as headman Even as he leads his people through danger an enemy is waiting for him with a plan that could break not only T r n rssuk but the uneasy truce that exists between the northern Inuits and the forest dwellers Soon clan could turn against clan and brother against brother in the bitterest struggle for survival Bestselling author William Sarabande has once again captured the fierce and savage splendor of a prehistoric continent and at the same time painted a vivid and unforgettable portrait of our first American ancestors in a bold and magnificent novel filled with adventure treachery discovery and courage

The Knowledge of Life Witness Lee, 1987-06-01 In *The Knowledge of Life* Witness Lee illuminates the path that leads to life beginning with regeneration and advancing to knowing and living according to the inward sense of life *The Knowledge of Life* provides an excellent foundation for the genuine experience of Christ and a helpful introduction to Witness Lee s companion book *The Experience of Life*

God's Psychology Dr. Richard E. Weathers, PsyD, 2014-04 In writing this book it is not my intent to upset the beliefs and practices of my colleagues They do a wonderful work in providing a needed service to thousands of people who need counseling and direction in their life others truly do have chemical imbalances that can only be handled by professionals in the mental health field Whether they deal with cognitive issues or behavior patterns of disruption in their lives these problems have to be dealt with by all of us Christian psychologists or secular we must all do our best to minister to the mentally ill the purpose of this book was to take a look at how God view our mental conditions and how sin affects that condition If the wages of sin is death then we must look into God s Psychology and learn from Him How to break the curse that is upon us that includes all of us I hope this book has helped you to further understand the purpose of God s thinking toward us and his solution to the problem if Sins Curse and how he sent his son Jesus to destroy the death sentence that we all face Heb 2 14 Act 4 12 Dr Richard Weathers commands a gif along with much scriptural knowledge of God s Word End time events are presented and explained in a manner that you will understand Exciting and amazing insight into God s plan for us Dr Weather s devotion to study and sharing with others is well above average You will feel the strength and wisdom in each section of this book You will be excited to share with others what you have just discovered through this person God s servant Blessing as you read the following pages Dr Linda L Jones In my thirty nine years as a minister of the gospel I have never experienced such a profound book God has provided Dr

Richard with outstanding insight of the end times through his studies of the book of Revelation As the return of our Lord and Savior draws near the wisdom within the pages of this book is needful for this generation Reverend Gerry Bryant In the Light of Truth - The Grail Message, Composite Edition Abd-ru-shin, In the Light of Truth The Grail Message is a classic work that offers clear and perceptive answers to questions which challenge every human being Written between the years 1923 1937 it is a collection of 168 essays addressing all spheres of life ranging from God and the Universe to the Laws in Creation the meaning of life responsibility free will intuition and the intellect the ethereal world and the beyond justice and love It answers eternal questions such as what does it mean to be human what is the purpose of life on Earth and what happens to me when I die In the Light of Truth The Grail Message explains the causes and significance of the unprecedented crises facing humanity and our responsibilities to the future Concerning In the Light of Truth The Grail Message Abd ru shin writes I wish to fill in the gaps which have so far always remained unanswered in the souls of men as burning questions and which never leave any serious thinker in peace if he honestly seeks the Truth Throughout the Grail Message readers are urged to weigh questions and answers intuitively to confront them within their own life experiences and only to believe that which they can perceive inwardly Only through this process can one reach true conviction in one s life Alone Yet Not Alone Tracy Leininger Craven,2015-09-01 Autumn of 1755 bestowed to the Leiningers world not only its rich beauties but also a rewarding harvest On this particular day the whole valley seemed to rejoice in the fullness of the season but suddenly Barbara and Regina s peaceful frontier life is changed forever General Braddock and his army had been defeated and soon the Pennsylvania settlers would suffer the bloody effects of the French and Indian War On October 16 1755 a band of Indians led by Allegheny warriors stormed through Buffalo Valley burned the Leiningers log cabin and captured the sisters Few survived the Penn s Creek Massacre and even fewer lived to tell the story Regina makes a promise to her older sister just before they are unwillingly separated each to endure different fates Barbara is taken deep into the wilderness but holds on to the hope that she will find her little sister Though she is adopted into the Indian tribe there is a longing deep inside that cannot be denied She must escape but the penalty if caught is certain death No one expresses Barbara s apprehensions better than her own words written in 1759 If one could not believe that there is a God who helps and saves from death one had better let running away alone The extreme probability that the Indians would pursue and recapture us was two to one compared with the dim hope that perhaps we would get through even if we did escape the Indians how would we ever succeed in passing through the wilderness unacquainted with a single path or trail **The Hum of the World** Lawrence Kramer,2021-06-21 The Hum of the World is an invitation to contemplate what would happen if we heard the world as attentively as we see it Balancing big ideas playful wit and lyrical prose this imaginative volume identifies the role of sound in Western experience as the primary medium in which the presence and persistence of life acquires tangible form The positive experience of aliveness is not merely in accord with sound but inaccessible even inconceivable without it Lawrence Kramer s

poetic book roves freely over music media language philosophy and science from the ancient world to the present along the way revealing how life is apprehended through sounds ranging from pandemonium to the faint background hum of the world This warm meditation on auditory culture uncovers the knowledge and pleasure waiting when we learn that the world is alive with sound

The God-Human Level Hypothesis Sebastian Iyere,2014-03-17 THE GOD HUMAN LEVEL HYPOTHESIS an illuminating book by IYERE Sebastian attempts to share a simple and uncomplicated understanding of the Bible and life in general using a simple model The book presents the human being living simultaneously in two worlds seen and unseen with consciousness trapped in this seen world It explains that there is something out there that controls us all from the unseen world It submits that the five dimensional human nature HEART being thread like Ecc 12 6 connecting the SPIRIT and the SOUL SOUL attached to the FLESH with another thread like MIGHT is disconnected and disjointed Whereas a full understanding will be gained at the end of time or after death when consciousness is liberated there is a need today to consider reconnecting to God and recombining the five dimensions The connector or plug is Jesus Christ This literary piece reinforces the authenticity and infallibility of Gods word A coalescence of science geography and history While poignantly projecting the Sovereignty of God the book depicts as sheer insanity any attempt for anyone to think he she is in control of anything in this world The book touches every aspect of life physical spiritual psychological emotional and so forth in a microscopic dimension

Toni Morrison and the Bible Shirley A. Stave,2006 This collection of essays critically interrogates Toni Morrison s use of the Bible in her novels examining the ways in which the author plays on the original text to raise issues of spirituality as it affects race gender and class Ideal for courses on Morrison or on explorations of the intersection of religion and literature this collection treats its topic with sophistication considering religion in its broadest possible sense and examining syncretic theologies as well as mainstream religions in its attempt to locate Morrison s work in a spiritual theological nexus

Speaking in Tongues Mark J. Cartledge,2012-04-04 Speaking in tongues glossolalia is a common spiritual phenomenon in the Pentecostal and Charismatic streams of the Christian church Such Christians believe that when they speak in tongues they are communicating with God in a language that they have never learned spiritual prayer language given to them by the Holy Spirit This innovative volume seeks to enhance our understanding and appreciation of glossolalia by examining it from a range of different angles Christian scholars from diverse academic disciplines bring to bear the insights of their own specialist areas to shed new light on the practice of speaking in tongues The disciplines include New Testament Studies Max Turner Theology Frank D Macchia History Neil Hudson Philosophy James K A Smith Linguistics David Hilborn Sociology Margaret M Poloma Psychology William K Kay A final chapter by Mark J Cartledge seeks to show how all of these perspectives can work together and enrich a Christian appreciation of the gift of tongues

Shamans and Kushtakas Mary Giraudo Beck,2003-06-01 Shaman and Kushtaka both struck terror in the hearts of the Tlingit and Haida for both possessed frightening supernatural powers Among the Natives of the Pacific Northwest

Coast the shaman was honored as a person who could heal the body and spirit as well as see into the future In his struggles to protect his people he fought the kushtaka an evil spirit being who was half human and half land hotter for the souls of dying persons Theirs was a battle between the forces of good and evil and today it remains a cornerstone in Tlingit and Haida mythology Mary Giraudo Beck provides a powerful mix of history legend and adventure to dramatize the values and traditions of Tlingit and Haida societies The heroic and wondrous incidents in these stories transcend time and culture and as tales of myth and magic provide compelling reading for young and old alike
