Spirit Level and Other Poems Christopher Morley, 1946-02-05 *Spirit Level, and Other Poems* Christopher Morley, 1946 *Spirit Level and Other Poems* Anthony Conran, 1974 **Cultural Memory in Seamus Heaney's Late Work** Joanne Piavanini, 2020-06-17 *Cultural Memory in Seamus Heaney's Late Work* considers the ways that memory functions in Heaney's poetry Joanne Piavanini argues that the shaping of collective memory is one of Heaney's major contributions as a poet *Locating Heaney in a transnational literary sphere* this book argues that his late work is defined by a type of cosmopolitanism openness the work moves beyond national identity to explore multiple allegiances and identifications Moreover Piavanini demonstrates that memory is a helpful lens to look at Heaney's late work in particular because of the interplay of past present and future in these works in the construction of a collective memory of the Troubles in the use of the elegy to commemorate the passing of important contemporary poets in his writing on events with transnational significance such as 9/11 in the slippages between past and present in poems about his family and through the literary afterlives of texts specifically his appropriation of canonical classical texts Drawing on approaches and concepts from memory studies Piavanini considers Heaney's late work to develop an analysis of poetry as a vehicle of memory [Catalog of Copyright Entries, Third Series](#) Library of Congress. Seamus Heaney's Gifts Henry Hart,2024-12-13 The fact of the matter Seamus Heaney said in a 1997 interview with the Paris Review is that the most unexpected and miraculous thing in my life was the arrival in it of poetry Throughout his career Heaney who received the 1995 Nobel Prize in Literature maintained that poetry came to him from a mysterious source like a gift of grace He also believed that the recipient of this sort of boon had an ethical obligation to share it with others

Seamus Heaney s Gifts by the noted scholar and poet Henry Hart offers the first comprehensive examination of Heaney s preoccupation with gifts and gift exchange Drawing on extensive research in Heaney s papers as well as three decades of correspondence with the poet Hart presents a richly detailed study of Heaney s life and work that foregrounds the Irishman s commitment to the vocation of poetry as a public art to be shared with audiences and readers around the world Heaney traced his devotion to gifts back to the actual present of a Conway Stewart fountain pen that his parents gave him at the age of twelve when he left his family farm in Northern Ireland to attend a private Catholic secondary school in Londonderry He commemorated this gift in Digging the first poem in his first book and in two poems he wrote near the end of his life The Conway Stewart and On the Gift of a Fountain Pen Friends and doctors had warned him that his endless globetrotting to give lectures and poetry readings had damaged his health Yet he felt obligated to share his talent with audiences around the world until his death in 2013 As Hart shows Heaney found his first models for gift giving in his rural community in Northern Ireland the Bible the rituals of the Catholic Church and the literature of mystical and mythical quests Blending careful research with evocative commentaries on the poet s work Seamus Heaney s Gifts explains his ideas about the artist s gift the necessity of gift exchange acts and the moral responsibility to share one s talents for the benefit of others
