Spiritual Harmony Tamara L. Lesley, 2002-08-06 I have searched for the truth of our very existence to find it quite simple I have studied many religions including Darwin's theory Through the years I have read and studied many thoughts and beliefs of others I have found my own thoughts true for me that help me find the world more reasonable in a spiritual way of existence I believe that God does reside in our heart and gives us many guides and Angels to help us along the way A simple request of them and God is all that is needed I reveal ways that you will find quite simple to believe in and that will not ruin your faith in God but enhance it I offer you an alternative way of living happily within yourself and knowing the God source resides in you through life death and beyond Let me take you on a journey of my life You will see how my God source has shown me the way of living a fruitful life of love I invite you to share my thoughts of love and come away with a better understanding of our Universe I impart my love to you
