Shekinah Unveiled John Whitman, 2018-07-05 Many Christians believe and have been taught that the bride of Christ is the church and this presupposition is widely held by scholars ministers and laity alike as though it were a biblical precept Yet this view actually owes its origins to pagan heresy and mysticism that infiltrated the church over the centuries In fact the scriptures tell us who Jesus will marry and it is neither the Christian church nor Israel Shekinah Unveiled examines and irrevocably dismantles the ages old traditions that maintain that the church is the bride of Christ and that Israel was Yahwehs wife Author and theologian John Whitman proves from scripture who the true bride of Christ and the wives of Yahweh are and he explains why it matters to know the identity of the bride of Christ Knowledge of the true identity of the bride of Christ affects multiple core doctrines of faith the imago Dei marriage sexuality and the family sin Christology ecclesiology eschatology judgment bridal theology and theology proper And because the latter is itself the bedrock upon which not only systematic theology but each of these other attendant doctrines are founded the very heart of Christianity is affected by knowing the identity of Christs bride

The Spiritual Way Philip

Sheldrake,2019-08-08 In *The Spiritual Way Classic Traditions and Contemporary Practice* Philip Sheldrake aims to make the wisdom of Christian spirituality better known to contemporary readers After an introductory chapter on the foundations of Christian spirituality Sheldrake describes its diverse riches through the centuries in terms of five distinctive types of Christian spiritual wisdom illustrated by a rich selection of classical examples The five types are The Way of Discipline The Contemplative Mystical Way The Way of Practical Action The Way of Beauty and The Prophetic Way This book also briefly explores the contemporary interest in spirituality within and beyond conventional religion and suggests how we might engage with these five types on our spiritual journeys in today s world *Spiritual Exercises and Their Results* Aelfrida Tillyard,1927 *The Intimate Sharing of Friends Saint Teresa of Ávila on Prayer* Mark O'Keefe, OSB,2024-07-19 St Teresa of Ávila is the Doctor of Prayer This special title given to her when she was declared the first female Doctor of the Church signifies that her teaching on prayer is to be universally cherished among the eminent doctrines of the Catholic Church The cornerstone of Teresa s teaching is her profound discovery that prayer is nothing else than an intimate sharing between friends The spiritual life is demystified when we understand our lifelong journey in prayer as the deepening of our relationship with Him who we know loves us Life 8 5 In *The Intimate Sharing of Friends* Father O Keefe presents an overview of St Teresa s teaching on prayer while emphasizing its relational aspect For Teresa the spiritual life consists of the degrees to which we are attentive and receptive to God s presence within us Like all relationships this supernatural friendship profoundly changes us O Keefe guides us through Teresa s various analogies and explanations of the soul s personal transformation as it journeys from friendship with God to a more supernatural and deeply intimate union with him Throughout O Keefe directs us to Teresa s insistence that this transformation is measured not by its extraordinary effects but by our growth in virtue especially in charity Supporting the book s central theme is a clear explanation of Teresa s teaching on the transition from active to more contemplative forms of prayer In an excursus the author offers a critical comparison between contemporary contemplative practices and St Teresa s perennial teaching As always Father O Keefe draws on scholarly sources and provides an engaging resource for anyone who desires to become an authentic student of St Teresa s school of prayer *The Path to Attainment* Mark L. Prophet,Elizabeth Clare Prophet,2020-11-23 Attainment is the goal of the spiritual path But it is not the power to perform miracles or to control others It is the ability to give and receive energy in harmony This volume of the authors Climb the Highest Mountain series explains important keys to attainment including how to work with the masters of wisdom who can mentor your soul and how to chart and navigate the cycles of positive and negative karma unique to each of us You will explore how each age in humanity s evolution has brought new spiritual revelations and how the world s major religions facilitate soul development in different ways You will also gain a greater understanding of twin flames soul mates and karmic relationships as well as our soul s natural desire for union and wholeness **God, Adam, and You** Michael M. Christensen,2015-11-17 Barna research suggests just over half of

Americans who profess to be transformed by Christ believe God expects them to be holy and only a third consider themselves to be holy This is disconcerting Many of these same believers hold that Adam s sin and overwhelming fleshly desires are at the root of their personal sins The purpose of this book is to re examine Adam s legacy the flesh what sin really is and God s holiness expectations of us Do Adam s sin and fleshly desires force every person on this earth to sin in his likeness Is sinning daily in thought word and deed our highest expectation Can we love God in such a way that we can consistently obey his commands We will discover that the impediments to a holy life may be fewer than we think and that what God commands of us we really can do

Conformed to His Image Kenneth D. Boa, 2009-12-15 What does a relationship with God look like and how do we obtain it It is vital for church leaders to grapple seriously with this question for pat answers no longer suffice Lives well lived not just words eloquently spoken must become our response The quality of our relationship with God is what will influence the health potency and witness of the church in an increasingly complex and hostile world Designed for use as a college or seminary course Conformed to His Image helps us build our lives on a fully biblical perspective Exploring twelve approaches to Christian spirituality in depth Dr Kenneth Boa corrects our tendency to pick and compartmentalize Pointing the way instead to an integrative whole life approach Dr Boa shows how each spiritual paradigm discussed is just one important facet in the gem of authentic and powerful New Testament living With chapter overviews and objectives questions for personal application a glossary and a list of key terms Conformed to His Image will prove a defining text for the student pastor and church leader of today and tomorrow
