The Spiritual Man (1) Watchman Nee, 1992-06-01 For more than seventy years *The Spiritual Man* Watchman Nee's classic on spiritual growth has helped believers advance in their pursuit of gaining Christ by showing them the way to let the Lord fully gain them According to Nee The most frustrating experience of believers today is that in seeking for progress in the spiritual path they do not find the proper way As a result they grope in darkness being at times high or low lingering around the crossroads year in and year out and having no one to consult for direction The author of this book was such a one For this reason the book emphasizes clear guidance on the proper path Every chapter of this book is for the purpose of directing the believers on the right course Therefore all those who seek after God with an honest heart can go step by step accordingly Almost every chapter begins from the position of the sinner and goes on step by step toward the peak of spiritual life This electronic book is the first of the three volumes of *The Spiritual Man* *How to Avoid the Malpractice of Ministry* Dr. Jerome E. King, 2022-07-25 The far reaching impact of the COVID 19 pandemic has affected organizations of all types including the church It's changed the way these entities serve their communities today and how they'll continue to serve them throughout the postpandemic era In *The Malpractice of Ministry* author Dr. Jerome King offers insight into ministering in the postpandemic era without compromising the Great Commission delving into purpose driven church pre pandemic and postpandemic Using the metaphor of malpractices in the medical profession and lessons learned in the pandemic King combines organizational leadership and biblical scholarship to deliver the resource churches need to transform ministries for the new era *The Malpractice of Ministry* journeys through the process from identifying symptoms and diagnosing ministry problems to incorporating proven measures with promising outcomes It urges churches to avoid the

malpractice of ministry by taking proactive steps without compromising the church King shows the best approach to ministry is based on the prayerful implementation of biblical integrity sound organizational theory and responsible ministry practice
