The Upper Room Dictionary of Christian Spiritual Formation Keith Beasley-Topliffe, 2017-02-01 This reference book compiled with the help of more than 50 scholars from many denominations provides a basic guide to Christian spiritual formation through more than 470 entries It covers such subjects as great spiritual teachers of the past and present important topics in Christian spirituality and ways to pray

and lead groups in prayer and spiritual growth Containing enough information to get you started but not so many details as to overwhelm the entries in this dictionary answer such questions as What is spiritual formation What is grace How does it help me grow What is centering prayer How do I do it Who is Hildegard of Bingen What did she write How can I grow in forgiveness What are Fowler s stages of faith What are other ways of talking about stages of spiritual growth This dictionary also includes a chart that compares various Christian spiritual traditions plus a list of significant spiritual classics by title and author

Personality and Wholeness in Therapy Daniel J. Siegel,PDP Group,2024-11-19 A new way to consider patterns of personality with the combined application of neurobiology and traditional wisdom Personality and Wholeness in Psychotherapy applies the perspective of interpersonal neurobiology to a traditional wisdom framework widely known as the Enneagram of Personality This framework describes a lifespan developmental personality model of nine distinct key strategies that people use to make sense of and cope with their experiences and interactions with the world These strategies can be understood as nine Patterns of Developmental Pathways or PDPs This book provides mental health practitioners with both a theoretical understanding of PDPs and practical tools for implementing the framework in clinical settings Readers will find detailed descriptions of the nine core patterns of personality as well as integrative practices specific to each of these patterns that can help people work towards states of well being and wholeness This innovative book has the potential to unlock deep and lasting change in problematic and perplexing patterns of thinking feeling and behaving transforming personality from a prison to a playground for readers and clients alike

The Wicked World of Witchcraft Jenny Weaver,2025-10-07 Witchcraft is more than a social media trend It s the hidden dangers of modern day enchantments While reading this book you will open your eyes to the devastating consequences of witchcraft in the spiritual realm You will also resist the temptation of dark forces threatening to entrap your soul Witchcraft is subtly infiltrating modern culture through trends symbols and practices disguised as empowerment and enlightenment The Wicked World of Witchcraft exposes these hidden dangers and provides biblical insights to recognize and resist their influence With practical guidance and real life examples this book equips you to Navigate today s spiritual landscape Discern cultural deceptions Stand firm in faith Whether you re a parent leader or seeker of truth this powerful resource unveils the spiritual battle shaping society and empowers you to protect your heart home and community from the encroaching grip of the occult

Where Two Or Three Are Gathered Daniel L. Prechtel,2012-04 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and guidance to its members But small groups are most likely the more usual setting for spiritual companionship and have strong biblical theological and historical foundation in the Christian tradition This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics It also presents material related to group retreat work spiritual guidance with organizations and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats Church leaders

spiritual directors and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats **Toward a Spiritual Research Paradigm** Jing Lin, Rebecca L. Oxford, Tom E. Culham, 2016-07-01 Spirituality and spiritual experiences have been the bedrock of every civilization and together form one of the highest mechanisms for making sense of the world for billions of people Current research paradigms due to their limitation to empirical sensory psychologically or culturally constructed realities fail to provide a framework for exploring this essential area of human experience The development of a spiritual research paradigm will provide researchers from the social sciences and education the tools and abilities to systematically explore fundamental questions regarding human spiritual experiences and spiritual growth A spiritual research paradigm requires an ontology that considers all reality to be multidimensional interconnected and interdependent It requires an epistemology that integrates knowing from outer sources as well as inner contemplation acknowledging our integration of soul and spirit with the body and mind Three additional aspects are useful to a spiritual research paradigm axiology methodology and teleology An axiology concerns what is valued good and ethical A methodology is the appropriate approach to systematic inquiry A fifth and less frequently mentioned aspect is teleology an explanation of the goal or end telos to which new knowledge is applied such as gaining wisdom and truth touching the divine increasing inner peace exploring hidden dimensions or improving society This book takes the first step to develop such a research paradigm We draw from world spiritual traditions as well as scholarship that has arisen from contemplative practices We also attempt to build a bridge between science and spirituality Spiritual research is not necessarily opposed to scientific research in fact each can shed light on the other The Gift of Being Yourself David G. Benner, 2015-09-24 In the expanded edition of this profound exploration of Christian identity David G Benner illuminates the spirituality of self discovery He exposes the false selves that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ Deepen your experience of God through discovering the gift of being yourself
