Look ,1950 *Healing America's DNA* Rev Bob Fox, 2004-06-01 America is in serious trouble Pastor Fox argues in this book that there is NO OTHER SOLUTION to the economic and security issues of America than what this book prescribes deep repentance before God by American Christians for America s current sins which are rooted mainly in the Jamestown Colony founded in 1607 America s finances and national security are at great risk because the only Person who can really protect both is now disciplining America for its many sins as He did to His beloved Israel in the Old Testament There is a way back to God s full blessing and protection This book shows us how by describing the roots of America s sins and how the American Church can biblically repent for those sins If the American Church repents God will restore and protect America again as He has from the beginnings of our nation as II Chron 7 13 14 clearly states When I shut up the heavens so that there is no rain or command locusts to devour the land or send a plague among my people if my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways then I will hear from heaven and I will forgive their sin and will heal their land The author writes in his Foreward We all also know that the bottom fell out of the US stock market in the Fall of 2008 America has not recovered from that and it will not until God sees sufficient repentance by His people for their sins and the sins of the nation In a word God is behind America s current economic and security problems He has pulled back more of His blessings and is allowing us to fail more and more This is how He treated Israel 2500 years ago in order to bring Israel back to Him Their economy suffered and they were more vulnerable to their enemies Only God can make a nation prosperous and safe Ps 127 1 He is doing the same thing now to bring America back to Him Once the pain in America grows deep enough His people will cry out in humble repentance to God and He will heal our land II Chron 7 13 14 and bring a great revival that will sweep many in to the Kingdom I hope this message encourages you in the difficult days ahead America s pain has great purpose I hope this book helps pastors and churches to prepare for a season of

Reclaiming the Land Rusty Kuhn, 2013-11 It doesn't take the most spiritually discerning person among us to see that we stand in desperate need of revival within our land We see churches in drastic decline leading to moral decay and opening wide the door for the devourer to enter in and destroy our families and community The sole purpose of this book is to see the Church of the Lord Jesus Christ rise to its full potential call by seeking the face of God and see this land reclaimed in the name and for the glory of Jesus Christ In Reclaiming the Land Pastor Rusty Kuhn has clearly outlined God's formula for revival that God has given in II Chronicles 7:14 Reclaiming the Land unfolds the biblical principle that if you plan and promote your agenda bestowing glory and honor upon yourself rather than Jesus the hand of God's blessings will not fall However as demonstrated in this book through the principles of God's Word if we choose to pursue God's way for His glory His promise will be kept Then I will hear from heaven will forgive their sin and will heal their land In Reclaiming the Land you will discover the prayer that God heard the signs of the need of revival the knowledge that we are saved with a holy calling the need of humility for His honor the power of prayer the blessings of seeking His face the need of honoring His presence and the end result of doing things God's way
