through God is leading us to ensure that we come into the fullness of all that He has promised in and through our local houses churches This leading He does with the many local houses churches across the earth that are also experiencing various transition periods However I believe that there are dangers to be aware of in this journey as we stride towards our destiny Every leader regardless of his or her calling in life will experience seasons of transition We make the common assumption that once we've arrived at a certain place that we are beyond being tested It is not so Those who serve closest to a leader when in transition must know how to stick in both good and bad times Times of certainty and times of uncertainty It is my earnest prayer that this book will aide you in your times of transition
