Splendid Obsession:

Now To Him J. John, Simon C Ponsonby, 2011-08-10 The authors a theologian and a worship leader are concerned that modern worship is growing self indulgent more about performance less about an encounter with the divine They consider what the Bible teaches about worship addressing four key concerns Worship as entertainment worship which lacks wonder and awe worship as irrelevant to mission worship which gratifies the worshipper rather than honouring the Almighty The authors each contribute six chapters looking at biblical aspects of worship They tackle worship and holiness worship with passion worship and the danger of idolatry How they ask can we rediscover the mystery of an encounter with God in corporate worship How can leaders open themselves and their congregations to the heart of God releasing his presence and power How should we craft the unique dynamic of a people gathered to sing to God **The Art of Appreciation** Peggy Halevi, 2009-12 The Art of Appreciation by Peggy Halevi uplifts its readers with personal encouragement to create a much better life through responsible positive thinking and thought heart emotional connections The reader is inspired to utilize the procedures described to relax into a growing awareness of their own happiness and self worth through the simple act of Appreciating The book entwines real experiences stories feelings and profound wisdom into contributing factors of enlightenment based upon the Law of Attraction The Pemberley Chronicles Rebecca Ann Collins, 2008-04-01 Those with a taste for the balance and humour of Austen will find a worthy companion volume Book News The weddings are over The guests including millions of readers and viewers wish the two happy couples health and happiness As the music swells and the credits roll two things are certain Jane and Bingley will want for nothing while Elizabeth and Darcy are to be the happiest couple in the world The couples personal stories of love marriage money and children are woven together with the threads of social and political history of nineteenth century England As changes in industry and agriculture affect the people of Pemberley and the neighboring countryside the Darcys strive to be progressive and forward looking while upholding beloved traditions Rebecca Ann Collins follows them in imagination observing and chronicling their passage through the landscape of their surroundings noting how they cope with change triumph and tragedy in their lives A lovely complementary novel to Jane Austen s *Pride and Prejudice* Austen would surely give her smile of approval Beverly Wong author of *Pride Prejudice Prudence* *Fingerprints of the Gods* Graham Hancock, 2025-06-17 Could the story of mankind be far older than we have previously believed Using tools as varied as archaeo astronomy geology and computer analysis of ancient myths Graham Hancock presents a compelling case to suggest that it is Graham Hancock is featured in the popular *Ancient Apocalypse* a Netflix original docuseries Hancock structure his arguments through the scientific method He s asking the right questions If it s true then it can significantly change the course of history and our understanding of our civilisations Medium In *Fingerprints of the Gods* Hancock embarks on a worldwide quest to put together all the pieces of the vast and fascinating jigsaw of mankind s hidden past In ancient monuments as far apart as Egypt s Great Sphinx the strange Andean ruins of

Tiahuanaco and Mexico's awe inspiring Temples of the Sun and Moon he reveals not only the clear fingerprints of an as yet unidentified civilization of remote antiquity but also startling evidence of its vast sophistication technological advancement and evolved scientific knowledge A record breaking 1 bestseller in Britain Fingerprints of the Gods contains the makings of an intellectual revolution a dramatic and irreversible change in the way that we understand our past and so our future And Fingerprints of the Gods tells us something more As we recover the truth about prehistory and discover the real meaning of ancient myths and monuments it becomes apparent that a warning has been handed down to us a warning of terrible cataclysm that afflicts the Earth in great cycles at irregular intervals of time a cataclysm that may be about to recur
