Jeannette Dearden, Karin Stig-Nielsen, 1945 **Danish** United States. War Department, 1943 *The Phonology of Danish*
Hans Basbøll, 2005-05-05 The book is the most comprehensive account of the phonology of Danish ever published in any language It gives a clear analysis of the sound patterns of modern Danish and examines the relations between its speech sounds and grammar The author develops new models for the analysis of phonology and morphology phonology interactions and shows how these may be applied to Danish and to other languages Danish has an unusually rich vowel system and exhibits radical reduction processes that make it difficult for foreigners to understand The sound pattern is equally challenging for the analyst Professor Basbøll develops a non circular model for the sonority syllable and applies it to Danish phonotactics He presents a radically new and insightful analysis of the syllable accent which has a complex grammatical distribution and is unique among the world's languages He also describes syllabic and word structures and stress and intonation The book is fully referenced and indexed It will be widely welcomed by phonologists and scholars of Danish and is likely to become the standard account of Danish phonology *How to Work in Denmark Updated Edition* Kay Xander Mellish, 2022-11-03 Denmark is a great place to work if you know the unwritten rules of Danish working culture The Danish flat hierarchy means that you may find yourself interacting with top management even as a junior employee Your Danish boss will expect you to be proactive work independently and quickly admit mistakes when you make them This book explains some of these unstated assumptions of the Danish workplace as well as how to find a job in Denmark Is learning to speak Danish necessary How can you promote your skills in a job interview without breaking The Jante Law Is it true that Danish bosses encourage you to disagree with them Why is it so important to take a break and eat cake with your colleagues What's it like to be an international boss leading a Danish team *Spoken Danish, Book One* Jeannette Dearden, Karin Stig-Nielsen, 1976-01-01 *Spoken Danish* Jeannette Dearden, Karin Stig-Nielsen, 1945 *Explanations in Sociosyntactic Variation* Tanya Karoli Christensen, Torben Juel Jensen, 2022-01-20 New perspectives on how and why syntax varies between and within speakers focusing on explaining theoretical backgrounds and methods **Parliamentary Papers** Great Britain.
