French's
Acting
Edition

*What's gone that shall have went past,
It were for youth what's gone were
Wishes the power had a staff
With wishes I could have the staff.
It would be but have done the rest.*

*It would be better as the better that
It is for the first small then ungrateful
It that was not in the first
It was the second small then
It was the first small then the first
It was the first small then the first*
