## **Temptation Of A Proper Governess:**

**Temptation of a Proper Governess** Cathy Maxwell,2009-10-13 Society dictates that a governess should be modest quiet and keep to herself She should never contradict her employer And above all she must not attract the attention of any male in the household But Michael Severson doesn't see Isabel Halloran as a governess he sees her as a woman one whose lush curves cannot be hidden behind a dowdy gown and whose efforts at hiding her sparkling intelligence are betrayed by her wit Years before Michael had left Regency England falsely accused of a crime Now he is back dedicated to seeking retribution but not to taking a bride But when his scandalous actions compromise Isabel's reputation he does the unthinkable and offers her his hand a marriage in name only But although his bride's passions are untried Isabel's sensuality clearly matches his own And with each day and night that passes Michael becomes determined that every kiss every caress will be made with one goal to seduce his proper wife into tender submission
