flung insults that followers then and now have found difficult to say the least He instructs disciples to hate members of their own families Luke 14 26 warns that unending fire awaits some people says body parts should be cut off if they offend He calls a foreign woman a dog the Jews offspring of vipers and his closest disciple Satan Preachers often gloss over these or avoid them altogether as they are still so shocking In *The Difficult Words of Jesus* Amy Jill Levine sheds vital light on understanding these by exploring how these sayings sounded to those who first heard them She reveals Jewish modes of expression humour and the long tradition of Jewish insults and what they mean and how we might interpret these sayings today within a gospel of love and reconciliation
