

Jesus Heals The Ten Lepers
(Luke 17:11-19)

This should be a nice journey.

Jesus is on his way to Jerusalem and passes through the border between Samaria and Galilee.

As he was going into a village, ten lepers were met him. They stood at a distance, and called out in a loud voice.

What is going on?

IS JESUS MASTER HAVE PITY ON US!

Go, show yourselves to the priests.

I AM HEALED!

Jesus heals the men with leprosy in a church to cleanse themselves. As they went, they were cleansed.

Later, one of the men came back to Jesus with praise.

Thank!
Martha!
Son of God!

Who is this? The leprosy man?

He shows himself to Jesus' first thinking time. However, Jesus was thinking of the others absent of the other nine.

Thank you good Samaritan. Without you, I would have not been free from my leprosy.

Of those not all are cleansed? Where are the other nine? At this no one returned but this Samaritan!

My King and you cover faith has made you well.

Thank you Merciful King.

I thank you the other nine. It would have been good to see them well.

Jesus tells the man that because of his faith he was healed.

Action Stations William R. Forstchen,2017-03-07 THEY PLANNED ON A NICE WAR There had been a century of peace and the politicians of Earth and its colonies were running on platforms of cutting wasteful military spending all while Earth's military tried to keep aging and obsolete ships flying and battle ready. And while the swords rusted, war clouds gathered on the horizon. Contact had been made with the Kilrathi, a warrior race feline in appearance and deadly in combat. Yet even though they had annihilated or enslaved scores of other races throughout the galaxy and had attacked human colonies on the border worlds, the government was not taking them seriously, thinking that the Fleet could handle them with ease. Commander Winston Turner knew that the government was moving toward a declaration of war against the Kilrathi in response to demands from the border worlds. He also knew that the Fleet would be forced to operate under Plan Orange Five: limited action and punitive responses only. He only hoped that mankind would recognize its mistake before it was too late.
