**The Medieval European Stage, 500-1550** William Tydeman,2001-09-27 This volume brings together a wide selection of primary source materials from the theatrical history of the Middle Ages The focus is on Western Europe between the fall of the Roman Empire and the emergence of markedly Renaissance forms in Italy Early sections of the volume are devoted to the survival of Classical tradition and the development of the liturgical drama of the Roman Catholic Church but the main concentration is on the genesis and growth of popular religious drama in the vernacular Each of the major medieval regions is featured while a final section covers the pastimes and customs of the people a record of whose traditional activities often only survives in the margins of official recognition The documents are compiled by a team of leading scholars in the field and the over 700 documents are all presented in modern English translation

Early Yiddish Epic Jerold C. Frakes,2014-07-07

Unlike most other ancient European Near Eastern and Mediterranean civilizations Jewish culture surprisingly developed no early epic tradition while the Bible comprises a broad range of literary genres epic is not among them Not until the late medieval period Beginning in the fourteenth century did an extensive and thriving epic tradition emerge in Yiddish Among the few dozen extant early epics there are several masterpieces of which ten are translated into English in this volume Divided between the religious and the secular the book includes eight epics presented in their entirety an illustrative excerpt from another epic and a brief heroic prose tale These texts have been chosen as the best and the most interesting

representatives of the genre in terms of cultural history and literary quality the pious epicizing of biblical narrative the swashbuckling medieval courtly epic Arthurian romance heroic vignettes intellectual high art and popular camp

The Development of Modern Europe James Harvey Robinson,Charles Austin Beard,1908 Covers the territorial changes national policies economic conditions and intellectual interests of western Europe during the few decades before the French Revolution and before that the Industrial Revolution through the Partition of Africa at the Berlin Congress in 1884 in which the European Powers interested in Africa declared the entire drainage of the Congo River as an international state which should be open to the trade of all nations
