**Fifty Years After The Big Sky** William E. Farr, William W. Bevis, 2001 Writers historians and public intellectuals from James Welch and Mary Clearman Blew to Dan Flores William W Bevis and Daniel Kemmis explore A B Guthrie s life and legacy in *Fifty Years after The Big Sky* New Perspectives on the Fiction and Films of A B Guthrie Jr Best known for his novels *The Big Sky* and *The Way West* and as the author of the screenplay for the movie classic *Shane* A B Guthrie is a much loved but under studied Montana author There has been almost no serious study of Guthrie s work until now This wide ranging anthology examines this beloved western author in multiple contexts Essays examine Guthrie s relationship with the movie industry how the Cold War influenced Guthrie s work how people in his hometown of Choteau Montana and others close to him remember the man and how the myths that lie at the core of Guthrie s fiction haunt today s Montanans

[A Companion to the Literature and Culture of the American West](#) Nicolas S. Witschi, 2014-02-03 A Companion to the Literature and Culture of the American West presents a series of essays that explore the historic and contemporary cultural expressions rooted in America s western states Offers a comprehensive approach to the wide range of cultural expressions originating in the west Focuses on the intersections complexities and challenges found within and between the different historical and cultural groups that define the west s various distinctive regions Addresses traditionally familiar icons and ideas about the west such as cowboys wide open spaces and violence and their intersections with urbanization and other regional complexities Features essays written by many of the leading scholars in western American cultural studies

**Reading the West** Michael Kowalewski, 1996-02-23 The American West of myth and legend has always exerted a strong hold on the popular imagination and the essays in *Reading the West* examine some of the basis of that fascination *Reading the West* first published in 1996 is a collection of critical essays by writers independent scholars and critics on the literature of the American West in the last two centuries It showcases new ways of reading and understanding western writing Arguing for the importance of place in literature these essays explore what makes representative literary works western They also explore the multicultural and ecological dimensions of western writing This volume helps enrich our understanding of a distinguished body of literary work which has sometimes been unjustly ignored It deals not only with literature but with the changing conception of the West in the American imagination

**The Solace of Stones** Julie Riddle, 2016-04 Everything changes when Julie Riddle s parents stumble across the wilderness survival guide *How to Live in the Woods on Pennies a Day* In 1977 when Riddle is seven years old she and her family fed up with the challenges of city life move to the foot of the Cabinet Mountains Wilderness in northwestern Montana For three years they live in the primitive basement of the log house they are building by hand in the harsh remote Montana woods Meanwhile haunted by the repressed memory of childhood sexual abuse Riddle struggles to come to terms with the dark shadows that

plague her amid entrenched cultural and gender mores enforced by enduring myths of the West As Riddle grapples with her own painful secrets she discovers the world around her and its impact on people the demands of living in a rural mountain community dependent on boom and bust mining and logging industries the health and environmental crises of the W R Grace asbestos contamination and EPA cleanup and the healing beauty of the Montana wild More than simply a memoir about family and place *The Solace of Stones* explores Riddle s coming of age and the complexities of memory loss and identity borne by a family homesteading in the modern West      **Encyclopedia of the American Novel** Abby H. P.

Werlock,2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this      *Under the Big Sky* Jackson J. Benson,2009-05-01 Author of *The Way West* and the screenplay for the classic *Shane* among many other timeless stories icon of Western literature A B Bud Guthrie Jr brought a blazing realism to the story of the West That realism came out of the depth of Guthrie s historical research and an acuity that had seldom been seen in the work of Western novelists The small Montana town that figures in several of Guthrie s books is clearly patterned after the town where he grew up Choteau on the eastern front of the Rocky Mountains Biographer Benson illuminates Guthrie s upbringing and education the influence of his intellectually inclined father his work as a newspaperman in Kentucky and his time at Harvard University Animated by the observations of friends family and fellow authors this intimate account offers rare insight into the life and work of a remarkable writer and into the making of the literary West

From publisher description      **Contemporary Voices along the Lewis & Clark Trail ,      That Dream Shall Have a Name** David L. Moore,2020-04-01 The founding idea of America has been based largely on the expected sweeping away of Native Americans to make room for EuroAmericans and their cultures In this authoritative study David L Moore examines the works of five well known Native American writers and their efforts beginning in the colonial period to redefine an America and American identity that includes Native Americans That Dream Shall Have a Name focuses on the writing of Pequot Methodist minister William Apess in the 1830s on Northern Paiute activist Sarah Winnemucca in the 1880s on Salish M tis novelist historian and activist D Arcy McNickle in the 1930s and on Laguna poet and novelist Leslie Marmon Silko and on Spokane poet novelist humorist and filmmaker Sherman Alexie both in the latter twentieth and early twenty first centuries Moore studies these five writers stories about the conflicted topics of sovereignty community identity and authenticity always tinged with irony and often with humor He shows how Native Americans have tried from the beginning to shape an American narrative closer to its own ideals one that does not include the death and destruction of their peoples This compelling work offers keen insights into the relationships between Native and American identity and politics in a way that is both accessible to newcomers and compelling to those already familiar with these fields of study      *All Our Stories Are Here* Brady Harrison,2009-01-01 This wide ranging collection of essays addresses a diverse and expanded vision of Montana literature offering new readings of both canonical and overlooked texts Although a handful of Montana writers such as Richard Hugo A

B Guthrie Jr D Arcy McNickle and James Welch have received considerable critical attention sizable gaps remain in the analysis of the state's ever growing and ever evolving canon The twelve essays in *All Our Stories Are Here* not only build on the exemplary foundational work of other writers but also open further interpretative and critical conversations Expanding on the critical paradigms of the past and bringing to bear some of the latest developments in literary and cultural studies the contributors engage issues such as queer ambivalence in Montana writing representations of the state in popular romances and the importance of the University of Montana's creative writing program in fostering the state's literary corpus The contributors also explore the work of writers who have not yet received their critical due take new looks at old friends and offer some of the first explorations of recent works by well established artists *All Our Stories Are Here* conveys a sense of continuity in the field of Western literary criticism while at the same time challenging conventional approaches to regional literature

*Borneo Log* William W. Bevis, 1995 There the rainforest is being cut rapidly local corruption and greed siphon off most of the profit native rights and land uses are being obliterated and much of the fine timber is shipped to Japan to become plywood forms for concrete that are thrown away after two uses

*Illuminative Moments in Pacific Northwest Prose* Richard W. Etulain, 2024-03-12 Richard W Etulain examines the emergence of Pacific Northwest prose beginning in the early nineteenth century up to the present The book provides an introductory overview to a vast subject through illuminative moments that illustrate major shifts in the literary history of the region The book's focus is on novels histories and other nonfiction works that trace Pacific Northwest prose in chronological order through three periods the frontier regional and post regional eras Etulain provides extensive coverage of the writings of notable authors including novelists Frederic Homer Balch and Mary Hallock Foote offering an understanding of frontier romantic and Local Color Writers He also explores the works of H G Merriam and novelist H L Davis illustrating regional prose writings Finally Etulain includes a panoply of writers who exemplify an emphasis on gender race and ethnicity and environmental texts from the post WWII period *Illuminative Moments in Pacific Northwest Prose* delivers a first time overview of the region's literary contributions that will interest both scholars and general readers alike

*The Writings of Norman Maclean* Timothy P. Schilling, 2024-08-20 With a foreword by John N Maclean son of Norman Maclean *The Writings of Norman Maclean Seeking Truth amid Tragedy* provides the first critical reassessment of this celebrated author's work in more than a decade In his study Timothy P Schilling focuses on Maclean's attempt in *A River Runs through It* and *Other Stories* and *Young Men and Fire* to come to grips with the tragic side of human existence From the 1938 death of his brother Paul to the 1949 deaths of thirteen firefighters in Montana's Mann Gulch wildfire Maclean is driven by a desire to discover ultimate meaning the truth in the face of haunting tragedy Through careful analysis of all of Maclean's published works Schilling highlights the audaciousness of Maclean's quest to wrest free an answer from the universe Ever open to scientific literary philosophical and theological ways of viewing reality Maclean found ambiguity paradoxically to be an essential tool for probing the truth Beyond exploring Maclean's use of this

tool Schilling breaks new ground by considering Maclean's invocation of the Transcendentals in *A River Runs through It* noting the sly homage Maclean pays to Izaak Walton examining Maclean's often neglected *Other Stories* assessing Robert Redford's film adaptation of *A River Runs through It* and providing the most thorough exploration of *Young Men and Fire* yet available With this book Schilling offers a current and complete analysis of Maclean one of the most iconic figures in Western American literature

**Modernism and Mildred Walker** Carmen A. Pearson, 2008-07-01 *Modernism and Mildred Walker* is the first full length critical study of the major fictional works of this American author whose life spanned the twentieth century 1905-98 and whose literary production spanned almost three quarters of a century A highly regarded chronicler of New England and the American West she is also appreciated for her portrayal of women characters and the complexity of women's roles Long beloved by readers of Montana fiction Mildred Walker's novels have been dismissed by some critics as only of regional interest and as Carmen Pearson argues have not been explored and appreciated from other critical perspectives and by other audiences In this persuasive new study Pearson offers a new and decidedly western interpretation of Modernism as a critical tool and proposes a variety of readings and interpretations designed to emphasize the relationship between cultural production in the West and modernism She encourages readers and students of literature to reappraise Walker's work and to undertake further critical studies of their own

*Singing an Indian Song* Dorothy R. Parker, 1994-11-01 One of the foremost Native American intellectuals of his generation 1904-77 D Arcy McNickle is best known today for the American Indian history center that carries his name at the Newberry Library in Chicago and for his novels *The Surrounded* *Runner in the Sun* and *Wind from an Enemy Sky* A historian and novelist he was also an anthropologist Bureau of Indian Affairs official during the heady days of the Indian New Deal teacher and founding member of the National Congress of American Indians The child of a Métis mother and white father he was an enrolled member of the Flathead Tribe of Montana But first and largely by choice he was a Native American who sought to restore pride and self determination to all Native American people Based on a wide range of previously untapped sources this first full length biography traces the course of McNickle's life from the reservation of his childhood through a career of major import to American Indian political and cultural affairs In so doing it reveals a man who affirmed his own heritage while giving a collective Indian voice to many who had previously seen themselves only in a tribal context

*Beautiful Chaos* Gordon Slethaug, 2000-11-09 Explores the way chaos theory is incorporated in the work of such writers as Toni Morrison Thomas Pynchon John Barth Don DeLillo and Michael Crichton

*Montana*, 2004 *Montana Legacy* Harry W. Fritz, Mary Murphy, Robert R. Swartout, 2002 A rich and varied tapestry *Montana Legacy* looks at the people cultures places and events that shaped present day Montana from Plentywood to Butte Great Falls to Virginia City and Billings to Browning Designed to make you think about Montana history in a new way this anthology features sixteen essays chosen for their relevance readability and scholarship The volume's editors carefully selected topics that range across two centuries from the fur trade

to power deregulation and expose Montana's cultural and geographical diversity Join them in this exploration of Montana's past and gain a better understanding of Montana's future 6 x 9 392 pages b w photos     *A Companion to the Regional Literatures of America* Charles L. Crow, 2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature     The American West and Its Interpreters Richard W. Etulain, 2023-05-01 Distinguished historian Richard W Etulain brings together a generous selection of essays from his sixty year career as a specialist on the US West in this essential volume Each essay provides an invaluable overview of the rise of western literary history and historiography including insightful evaluations of individual historians revealing summaries of regional literature and discussions of western stories yet to be told Together these writings furnish readers with useful considerations of important subjects about the American West All those interested in the American West and its interpreters will find these illuminative moments of literary history and historiography especially appealing
