Catalogue of Books, Standard and Holiday McClurg, Firm, Booksellers, Chicago, 1913 *Contemporary Perspectives on C.S. Lewis' 'The Abolition of Man'* Timothy M. Mosteller, Gayne John Anacker, 2017-02-23 Beginning with a clear account of the historical setting for *The Abolition of Man* and its place within C S Lewis corpus of writing *Contemporary Perspectives on C S Lewis The Abolition of Man History Philosophy Education and Science* assesses and appraises Lewis seminal lectures providing a thorough analysis of the themes and subjects that are raised Chapters focus on the major areas of thought including philosophy natural law education literature politics theology science biotechnology and the connection between the Ransom Trilogy Drawing on Lewis central ideas they tackle questions such as is *The Abolition of Man* hostile to scientific inquiry Does Lewis provide an adequate rational defense of natural moral law Do the lectures address the philosophical questions of the 21st century as Lewis sought to provide answers to philosophical questions of the 20th century Dealing with themes across multiple areas of human inquiry the authors bring expertise from their respective fields to bear on the core issues raised in Lewis lectures The result is an interdisciplinary approach that offers the first comprehensive scholarly treatment of *The Abolition of Man* one of the most debated of Lewis works **What on Earth is Heaven?** James Paul, 2021-02-18 What happens to us when we die Will heaven be a place of fluffy clouds angels and cherubs playing harps Is the Christian faith just about securing a place in heaven when we die In *What on Earth is Heaven* James Paul explores the radical truth of what the Bible says about heaven and the afterlife and its relevance for your life here and now on earth Unpacking the biblical story of the separation and reunion of heaven and earth he shows that heaven isn't a place somewhere out there but a dimension of reality the dimension where God's will is done The Good News isn't that we get to escape to heaven but that God invites us to be a part of his plan to bring the kingdom of heaven to our square inch of the earth Insightful and accessible *What on Earth is Heaven* is a book for anyone wanting a deeper understanding of the Bible's teaching on heaven or anyone who has wondered about the true meaning of finding heaven on earth Life affirming and uplifting this book will fire your imagination as to how you can be a part of bringing heaven to the world around you

Secret Scrolls Robert M. Price, 2010-12-27 *Secret Scrolls* is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven't bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical

apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one's religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls
