A "Perfect" Crime Carl H. Sneider, 2015-04-25 This book is not a crime fiction novel This is a firsthand report and a true report on how governments or large organisations have succeeded in planning and executing the commission of a perfect crime in Australia It reports on organised aggravated group stalking attacks being carried out by groups or gangs of persons acting covertly under the cover of darkness with use of advanced electronic

devices without cause or regard for basic human rights Evidence in detail is provided in Appendices to the book taken from firsthand observations or from transcriptions of contemporaneous handwritten notes set down daily in six years of personal diaries Due to the perpetrators clever use of highly skilled individually contracted surveillance role players in squads of differing and rotating stalker offenders and their training and use of advanced stand off electronic scanning listening sound projection equipment it has proven nearly impossible for the victim or law enforcement authorities to gather enough credible reliable and sufficient evidence to support the swearing out of an official criminal complaint before the court Therefore we have the perfect practically unsolvable crime **(Not) a perfect crime** Stephan Funke, 2025-03-11 Is Rainer Hofmann a murderer or is the retired detective superintendent just a pawn in a murderous game This is the question that Jasmin Franke senior investigator at the Hamburg Homicide Division has to ask herself when a woman's body is found horribly disfigured beyond recognition The only lead for the police is a business card belonging to Rainer Hofmann that was found on the dead woman's chest But it's not just Rainer and Jasmin who are interested in this sensational case Successful crime writer Nina Strahl who has recently suffered a series of failures also sees great potential in the case for a new book and journalist Rick van Dyck who dreams of becoming an influencer now sees his chance Will the case give him the big opportunity he's been waiting for *Holiday from the Perfect Crime / Poems* Daniel Abdal Moore, 2011-05-01 Somehow the resonance for me during the entertaining of this title as an abiding albeit background theme for the poems was the perfect crime of our existence perfect because created by a perfect Creator A crime because we get up to such malfeasance all the time at the lower end of it and a crime at the higher end in the sense that the Sufis often mention that any existence of theirs before Allah ta'ala any flake or residue of their selfness is a crime a flaw an obstruction before the Light of God Only when you have known a saint wali of whatever spiritual practice do you the sense of a personality honed to its finest before the divine consciousness whose actions and words and thoughts are soaked in divinity to such a degree that the person is truly human in its essence and effaced before God in His ever present and infinitely Merciful activity The Perfect Crime (An Asher Benson Short Story) Jason Brant, The Rules have allowed Andrew Phillips to commit the most heinous of crimes for decades He meticulously plans and executes kidnappings murders and other unspeakable acts to children No one has ever come close to solving the atrocities he perpetrates every few months Phillips thinks he's successfully committed the perfect crimes And then he meets Asher Benson The Perfect Crime is a short story in the Asher Benson thriller series which takes place between Ash and Madness The series is full of snarky humor nonstop action and scary thrills "The Almost Perfect Crime and Other Award Winning Stories of New York."
