

The background of the slide features a blurred image of a financial trading interface. On the left, there is a table of market data with columns for 'Symbol', 'Price', and 'Change'. The table lists various currency pairs and their corresponding values. On the right, there is a line chart showing price fluctuations over time. The chart has a grid and a white line representing the price movement. A large, teal-colored diagonal banner is overlaid on the chart, containing the title text in white serif font.
