Bhaumik,2024-02-12 Since the nation s independence the union and state governments of India have employed a variety of development strategies some of which have evolved over time The model of development implemented in Bihar in recent decades is different from its prior development strategies Along with a number of social reform initiatives the Bihar government implemented the development with justice model to enhance the lives and living circumstances of the most marginalized groups of the population and ensure the attainment of social justice In light of the aforementioned context this book offers an understanding of the various aspects of the Bihar government s development with justice model and the effects of its implementation on lives and quality of living conditions of the state s underprivileged population The book covers a wide spectrum of areas such as history of social reform measures social justice in education health labour market

etc caste and gender based discrimination women s empowerment migrant workers poverty inequality agrarian concerns planning for development and so on Besides recommending policies to improve the state s development outcomes this book will aid researchers in identifying topics that may require additional research Clearly researched concise and up to date this book will be useful to the students and researchers from the fields of development economics development studies gender studies sociology political science economic history as well as the policy planners in the government

Enhancing Agricultural Productivity and Farmer Incomes in Bihar Bhaumik, Sankar Kumar, 2022-11-28 Enhancing Agricultural Productivity and Farmer Incomes in Bihar discusses the performance of Bihar s agriculture sector in recent times and the multifarious challenges it is facing The book explores future possibilities from the perspectives of raising agricultural productivity and farmer incomes and attaining inclusive growth Given that doubling farmers incomes in India is the declared agenda of the central and state governments the insights to be gained from this book would be invaluable for researchers and policymakers With more than 90 per cent of the operational holdings in Bihar falling under the marginal category and the average size of a holding being a meagre 0.39 hectares the viability of the small farming regime in the state is a serious issue This book will help readers to understand the developmental challenges not only in Bihar but also in other agriculturally backward regions that are largely dominated by small farmers It will also help researchers to locate areas in which more research needs to be undertaken if accelerated growth of the agriculture sector and sustainable improvement of farmers incomes are to be ensured

Forest of Tigers Annu Jalais, 2014-06-03 Acclaimed for its unique ecosystem and Royal Bengal tigers the mangrove islands that comprise the Sundarbans area of the Bengal delta are the setting for this pioneering anthropological work The key question that the author explores is what do tigers mean for the islanders of the Sundarbans The diverse origins and current occupations of the local population produce different answers to this question but for all the tiger question is a significant social marker Far more than through caste tribe or religion the Sundarbans islanders articulate their social locations and interactions by reference to the non human world the forest and its terrifying protagonist the man eating tiger The book combines rich ethnography on a little known region with contemporary theoretical insights to provide a new frame of reference to understand social relations in the Indian subcontinent It will be of interest to scholars and students of anthropology sociology development studies religion and cultural studies as well as those working on environment conservation the state and issues relating to discrimination and marginality

Development, Decentralization and Democracy Robert Thörlind, 2000 This book explores the controversy in political science surrounding the civil society social capital paradigm by studying the performance of decentralized governments in West Bengal and Bangladesh Gram panchayats and NGOs provide the focus of the study The study intends to determine whether a growth in social capital can explain why decentralized governments seem to be more effective in West Bengal though both areas decentralized their governments around the same time The two regions have shared for centuries a common history civic
