Treatment, Or Healing by True Prayer Frederick L. Rawson, 2007-04-01 Through a true communion with God argues the author it is possible to treat any and all problems from loneliness to envy to gray hair and even bad investments But the prayer that Rawson speaks of is based not upon supplication to an omnipotent being who may or may not be listening but on a simple process of denial and affirmation Using an exhaustive list of examples Rawson shows how to first deny the problem then affirm what he calls the absolute good It is only by dwelling on God s perfect world that one can find true healing This is essential reading to the faithful and a work of genuine curiosity to everyone else
