a UK bestseller by the English writer who on a dare once hitchhiked around Ireland with a refrigerator a lot of fun Kirkus Reviews It doesn't take much 100 is usually sufficient to persuade Tony Hawks to take off on notoriously bizarre and hilarious adventures in response to a bet And so it is a pointless argument with a friend concludes in a bet that Tony can't beat all eleven members of the Moldovan soccer team at tennis And with the loser of the bet agreeing to strip naked on Balham High Road and sing the Moldovan national anthem this one was just too good to resist The ensuing unpredictable and often hilarious adventure sees him being taken in by Moldovan gypsies and narrowly avoid kidnap in Transnistria It sees him smuggle his way on to the Moldovan National Team coach in Coleraine and witness almost divine intervention in the Holy Land In this inspiring and exceptionally funny book Tony Hawks has done it again proving against all odds that there is no reason in the world why you can't do something a bit stupid and prove all of your doubters wrong Or at least that was the idea Hawks's comedic talent comes across well in the written form he has a breezy witty style that makes the book extremely enjoyable Hawks is not only a crazy comic but a keen observer of the human experience The San Francisco Chronicle
