**Tercentenary celebrations of the Royal society** David Christie Martin,1960      **University of London** Negley Harte,2000-12-01 The University of London celebrates the 150th anniversary of its first Charter in 1862 and this history has been produced in commemoration of the occasion One of the leading universities in the world and the largest universities in the United Kingdom the University of London is a many headed federation of different institutions This sketch of its developing shape structure and role incorporates many well chosen illustrations encapsulating the range of activities and institutions constituting a great federal university Attention is paid to the earlier teaching institutions especially the medical schools attached to London's hospitals The activities of the expanding metropolitan and imperial university are surveyed throughout Victorian times The major reconstruction of 1900 which began the organic link between the various colleges forming the federal university is covered and all the subsequent changes of the twentieth century are outlined The background to the present difficult period of cuts and restructuring is indicated This illustrated history is a lively and well informed overview of a complex institution or more properly an interwoven series of institutions and activities It should prove of interest and value to all the many students teachers and other members of the University of London past and present as well as to those who seek to understand the increasingly crucial role of knowledge in modern society      The Royal Society Tercentenary Celebrations Programme ... Royal Society (Great Britain),1960      **The Royal Society and the Promotion of Science since 1960** Peter Collins,2016 The first synoptic history of how the Royal Society faced up to the challenges of continued relevance from 1960 onwards      **Scientific governance in Britain, 1914-79** Don Leggett,Charlotte Sleight,2016-08-31 Scientific governance in Britain 1914-79 examines the connected histories of how science was governed and used in governance in twentieth century Britain During the middle portion of that century British science grew dramatically in scale reach and value These changes were due in no small part to the two world wars and their associated effects notably post war reconstruction and the on going Cold War As the century went on there were more scientists requiring more money to fund their research occupying ever more niches in industry academia military and civil institutions Combining the latest research on twentieth century British science with insightful discussion of what it meant to govern and govern with science this volume provides both an invaluable introduction to science in twentieth century Britain for students and a fresh thematic focus on science and government for researchers interested in the histories of science and governance This volume features a foreword from Sir John Beddington UK Government Chief Scientific Adviser 2008 13

**Proceedings of the Royal Society of Canada** Royal Society of Canada,1908      *Shakespeare's Afterlife in the Royal Collection* Sally Barnden,Gordon McMullan,Kate Retford,Kirsten Tambling,2025-01-31 This unique collection of essays and images explores a series of objects in the Royal Collection as a means of assessing the interrelated histories of the British royal family and the Shakespearean afterlife across four centuries Between the beginning of the eighteenth century and the

late twentieth Shakespeare became entrenched as the English national poet Over the same period the monarchy sought repeatedly to demonstrate its centrality to British nationhood By way of close analysis of a selection of objects from the Royal Collection this volume argues that the royal family and the Shakespearean afterlife were far more closely interwoven than has previously been realized The chapters map the mutual development over time of the relationship between members of the British royal family and Shakespeare demonstrating the extent to which each has gained sustained value from association with the other and showing how members of the royal family have individually and collectively constructed their identities and performed their roles by way of Shakespearean models Each chapter is inspired by an object in or formerly in the Royal Collection and explores two interconnected questions what has Shakespeare done for the royal family and what has the royal family done for Shakespeare The chapters range across the fields of art theatre history literary criticism literary history court studies and cultural history showing how the shared history of Shakespeare and the royal family has been cultivated across media and across disciplines

**Royal Spectacle** Ian Walter Radforth, 2004-01-01 In 1860 Queen Victoria sent her eighteen year old son Albert Edward Prince of Wales on a goodwill mission to Canada and the United States The young heir apparent later King Edward VII had not yet gained his reputation as a fashion setter and rake but he nevertheless attracted enormous crowds both in Canada where it was the first royal visit and in the United States Civic leaders hosted the visitor in princely style decorating their towns with triumphal arches and organizing royal entries public processions openings and grand balls In *Royal Spectacle* Ian Radforth recreates these displays of civic pride by making use of the many public and private accounts of them and he analyses the heated controversies the visit provoked When communities rushed to honour the prince and put themselves on display social divisions inadvertently became part of the spectacle seen by the prince and described by visiting journalists Street theatre reached a climax in Kingston where the Prince of Wales could not disembark from his steamer because of the defiance of thousands of Orangemen dressed in their brilliant regalia and waving their banners Contemporary depictions of the tour provide an opportunity to interpret the cultural values and social differences that shaped Canada during the Confederation decade and the United States on the eve of the Civil War Topics explored include Orange Green conflict First Nations and the politics of public display contested representations of race and gender the tourist gaze and meanings of crown and empire An original and erudite study *Royal Spectacle* contributes greatly to historical research on public spectacle colonial and national identities Britishness in the Atlantic world and the history of the monarchy

*Proceedings of the Royal Society of London* Royal Society (Great Britain), 1923 *Proceedings of the Royal Society of New Zealand* Royal Society of New Zealand, 1961 *British Royal Visits and Black Loyatism in Twentieth-century Southern Africa* Hilary Sapire, 2024-10-31 Exploring the entwined histories of British royal visits to Southern Africa in the twentieth century this book analyses the clashing voices of dissent and cheering crowds that accompanied royal tours providing insight into the shifting nature of Black loyalism Originating in the Indigenous empire loyalism of eighteenth

century Canada Black loyalism encompassed loyalty to the British crown and a shared ideology of rights and entitlements which positioned the crown as a source of protection against white settler rapacity colonial violence and racial oppression However expressions of monarchical devotion were often double edged and addressed the fundamental contradiction of a crown that was both the source of rights and complicit in colonial conquest appropriation and misrule It was on royal occasions such as jubilees coronation celebrations and especially royal visits when the sovereign was literally amongst their more distant subjects that loyalist sentiment was rekindled reinvented and made directly relevant to the concerns of the day By analysing change and continuity in Black perspectives towards both the British and Indigenous African monarchy during these visits this book offers a fruitful way into examining an array of Black Southern African discourses on governance political values and cultural identities across the region It argues that the refashioning of British imperial monarchy in the twentieth century was profoundly shaped by African initiatives and re imaginings and provides valuable reading for those researching imperialism popular attitudes to the British monarchy in the twentieth century and the diverse politics and identities of southern Africa

The Annual Register of World Events Edmund Burke,1929      **Royal Tours 1786-2010** Arthur Bousfield,Garry Toffoli,2010-11 Royal Tours explores the visitations of 11 royals who were or would be monarchs viceroys and commanders in chief of Canada This full colour volume is a captivating look at how these tours shaped Canada and the royals themselves

**Inside the Royal Wardrobe** Kate Strasdin,2017-10-05 Queen Alexandra used clothes to fashion images of herself as a wife a mother and a royal a woman who both led Britain alongside her husband Edward VII and lived her life through fashion Inside the Royal Wardrobe overturns the popular portrait of a vapid and neglected queen examining the surviving garments of Alexandra Princess of Wales who later became Queen Consort to unlock a rich tapestry of royal dress and society in the second half of the 19th century More than 130 extraordinary garments from Alexandra s wardrobe survive from sumptuous court dress and politicised fancy dress to mourning attire and elegant coronation gowns and can be found in various collections around the world from London Oslo and Denmark to New York Toronto and Tokyo Curator and fashion scholar Kate Strasdin places these garments at the heart of this in depth study examining their relationships to issues such as body politics power celebrity social identity and performance and interpreting Alexandra s world from the objects out Adopting an object based methodology the book features a range of original sources from letters travel journals and newspaper editorials to wardrobe accounts memoirs tailors ledgers and business records Revealing a shrewd and socially aware woman attuned to the popular power of royal dress the work will appeal to students and scholars of costume fashion and dress history as well as of material culture and 19th century history
