*Rumi on Change by Love and Reason* Fariborz Arbasi,2013-08 Rumi s teachings have two essential bases namely love and reason In this book these faculties are explored and used in conjunction with other more modern psychological techniques in order to be strengthened and enhanced With love we can overcome any obstacles reach any goals and make any great dreams come true According to Rumi the faculty of love has special and effective abilities Love is an alchemy which brings out our positive talents Loving is an art and a skill which is capable of being taught Rumi considers reason in the same way as love to be the faculty by which we progress on the path to perfection The specific quality of reason is foresight This foresight causes happiness Reason not only is capable of detecting the path and removing the obstacles with foresight but also is a director of

our thoughts and emotions which manages and makes them organised It is a guide whose duty is to control the quality and application of thoughts emotions and regulate acts accordingly *Translating Rumi into the West* Amir

Sedaghat,2023-02-28 Focusing on Rumi the best selling Persian mystical poet of the 13th century this book investigates the reception of his work and thought in North America and Europe and the phenomenon of Rumimania to elucidate the complexities of intercultural communication between the West and the Iranian and Islamic worlds Presenting tens of examples from the original and translated texts the book is a critical analysis of various dimensions of this reception outlining the difficulties of translating the text but also exploring how translators of various times and languages have performed and explaining why the quality of reception varies Topics analysed include the linguistic and pragmatic issues of translation comparative stylistics and poetics and non textual factors like the translator s beliefs and the political and ideological aspects of translation Using a broad theoretical framework the author highlights the difficulties of intercultural communication from linguistic semiotic stylistic poetic ethical and sociocultural perspectives Ultimately the author shares his reflections on the semiotic specificities of Rumi s mystical discourse and the ethics of translation generally The book will be valuable to scholars and students of Islamic philosophy Iranian studies and translation studies but will appeal to anyone interested in the cultural dichotomies of the West and Islam The Essence of Rumi's Masnevi Erkan Türkmen,2007 *Rūmī and the*

*Hermeneutics of Eroticism* Mahdi Tourage,2007-11-30 This is the first systematic examination of the esoteric significance of the bawdy tales and explicit sexual passages present in R m s d 1273 Mathnaw a masterpiece of medieval Perso Islamic mystical literature and theosophic teachings Using the relevant features of postmodern theories as strategic conceptual tools and drawing on the recent interpretations of medieval kabbalistic texts it is a fascinating examination of the link between the dynamics of eroticism and esotericism operative in R m s Mathnaw In some of these bawdy tales the phallus is used as an esoteric symbol The book concludes that these tales are used primarily to communicate esoteric secrets particularly when this communication is contemplated along gender lines mediated through erotic imagery or expressed in sexual terms
