The Elegance Of The Ungraspable Selected Poems From Four Decades:

The North Carolina Historical Review ,2005 Brücke ,1997 **Elegance of the Ungraspable** Don Mager,2003-08-31

Don Mager s first poem in print was in 1962 in the Drake University literary magazine Periphery Later as editor he wrote in one issue Peripheral vision reaches out beyond the immediate focal point bringing an awareness of space color and movement that is vital if not always central to complete visual perception Periphery 1964 3 Forty years later his poems and translations show that for him experience embraces what lies on the edges of vision at the borders horizons limits peripheries Mager is of the generation whose comprehension of the world is rooted in the starkness of Hiroshima Nuclear build ups stand offs threats and the cold war imposed an awareness of transience futility and urgency Whether running reading gardening making love or doing any other ordinary activity the cloud of Hiroshima and its existential imperative however dimly hangs over almost any given day s joys or fears gratifications or frustrations just as that cloud hangs over this book

Collected Poems of Lenore Kandel Lenore Kandel,2012-04-10 Jack Kerouac immortalized her in his novel Big Sur A student of Zen she hung out with Gary Snyder and Allen Ginsberg and was a speaker at San Francisco s Human Be In But Lenore Kandel was no muse or hanger on she was a brilliant lyric poet often unabashedly erotic and that s where her legacy lies Collected Poems of Lenore Kandel contains 80 examples of her art from the holy erotica of her early years to later more contemplative works Many of the poems have never been published others only in rare ephemeral publications Some are explicit celebrating carnal love as part of the divine Others are humorous and cover more quotidian subjects A recurring theme is the divine animal duality The collection includes poems written from the early fifties up until Kandel s death The paradox of Lenore Kandel is that despite her prodigious talent she was one of the least read and critically appreciated of modern poets Kandel found her voice at a time when the Beat era was giving way to the countercultural age and though she straddled both eras it meant that she also fell through the cracks in terms of recognition Now for the first time the full range of her work appears in one volume *Everything Preserved* Landis Everson,2006-09-19 The remarkable discovery of Landis Everson first winner of The Poetry Foundation s Emily Dickinson First Book Award I stay upright Nothing makes me go down dusty roads to change my style I don t believe in love anymore the foghorn blasted it out of me from Coronado Poet Why did Landis Everson stop writing poetry for forty three years asks The New York Times in a recent feature article This question permeates Everson s extraordinary first book Everything Preserved which collects poems written between 1955 and 1960 and after a long silence poems written between 2003 and 2005 A friend of the poets Robin Blaser Robert Duncan and Jack Spicer Everson became a significant figure of the Berkeley Renaissance in the 1940s and 1950s which rebelled against the strictures of formalism to bring the poet s unmediated mind onto the page After the group disbanded Everson stopped writing for more than four decades but at the prompting of editor and poet Ben Mazer he began writing the vivid spontaneous and marvelous poems of the last few years Selected by The Poetry Foundation from more than 1 100
