The Elementary Cases of Sherlock Holmes Ian Charnock,1999 Here for the first time the reader is introduced to a young Sherlock Holmes trying to make his way as the world's first consulting detective with methods unproven but with a burning sense of mission

Sherlock Holmes for the 21st Century Lynnette Porter,2012-08-13 The 21st century is a good time to be Sherlock Holmes He stars in the Guy Ritchie films with Robert Downey Jr an internationally popular BBC television series featuring Benedict Cumberbatch a novel sanctioned by the Arthur Conan Doyle Estate and dozens of additional novels and short stories including two by Neil Gaiman Add to this the videogames comic books and fan created works plus a potent Internet and social media presence Holmes London has become a prime destination for cinematic tourists The evidence is clearly laid out in this collection of 14 new essays Holmes and Watson are more popular than ever The detective has been portrayed as hero and antihero He's tech savvy and scientifically detached even psychologically aberrant He has been romantically linked to The Woman and bromantically to Watson Whether Victorian or modern he continues to fascinate These essays explain why he is destined to be with us for years to come Instructors considering this book for use in a course may request an examination copy here

A Holmes by Any Other Name Bill Mason,2019-01-09 Sherlock Holmes is one of the most recognizable and most parodied names in western literature Bill Mason BSI collects and annotates these parody names from the first one that appeared in 1891 to the present day As Mason says in his introduction One of the great aspects of Sherlock Holmes is the fact that just as the character himself is subject to endless variation so is his name Ellery Queen noted that the name itself is particularly susceptible to the twistings and misshapenings of burlesque minded authors Surely Arthur Conan Doyle who struggled a little with what he was going to call his detective hero could not have known just how perfect the name he finally selected Sherlock Holmes would be for parody for rhyme for the transposing of letters and sounds for the substitution of suggestive words in the name of a comic character Mason's listings are an invaluable resource for the Holmsian scholar researcher or for those interested in whiling away a few hours with a delightful and chuckle inspiring volume

Sherlock's Last Case Charles Marowitz,1984 THE STORY Picking up where the famous stories ended the play centers on a death threat against Sherlock Holmes by the supposed son of his late nemesis Professor Moriarty Oddly enough however Holmes is warned of the plot by Moriarty's daughter

The Case for Fanfiction Ashley J. Barner,2017-10-31 Challenging readers to rethink what they read and why the author questions the aesthetic assumptions that have led to the devaluing of fanfiction a genre criticized as both tasteless and derivative and other guilty pleasure reading and writing including romance and fantasy The complicated relationship between fanfic and intellectual property rights is discussed in light of the millennia old tradition of derivative literature before modern copyright law established originality as the hallmark of great fiction Absorbed reading the practice of immersing oneself in the narrative versus critically reading from a distance is a strong motive for the appropriation by fanfiction of canon characters and worlds

Elementary Stories Sherlock Holmes Library the Adventure of the Speckled Band Arthur Conan Doyle, Sir, 2012-09-27 On glancing over my notes of the seventy odd cases in which I have during the last eight years studied the methods of my friend Sherlock Holmes I find many tragic some comic a large number merely strange but none commonplace for working as he did rather for the love of his art than for the acquirement of wealth he refused to associate himself with any investigation which did not tend towards the unusual and even the fantastic Of all these varied cases however I cannot recall any which presented more singular features than that which was associated with the well known Surrey family of the Royslotts of Stoke Moran

Elementary Stories Sherlock Holmes Library a Case of Identity Arthur Conan Doyle, Sir, 2012-09-26 My dear fellow said Sherlock Holmes as we sat on either side of the fire in his lodgings at Baker Street life is infinitely stranger than anything which the mind of man could invent We would not dare to conceive the things which are really mere commonplaces of existence If we could fly out of that window hand in hand hover over this great city gently remove the roofs and peep in at the queer things which are going on the strange coincidences the plannings the cross purposes the wonderful chains of events working through generations and leading to the most outr results it would make all fiction with its conventionalities and foreseen conclusions most stale and unprofitable
