The Elves Day Off:

Helper Norman J. Matches quality children s books with each day of the year to provide a focus for story time The lessons in this book will help children develop creative connections between reading and the world around them introducing them to many other people and places throughout the world **Never Shoot a Stampede Queen** Mark Leiren-Young, 2008 Winner of the 2009

Stephen Leacock Medal for Humour The cops wanted to shoot me my bosses thought I was a Bolshevik and a local lawyer warned me that some people I was writing about might try to test the strength of my skull with a steel pipe What more could any young reporter hope for from his first real job The night Mark Leiren Young drove into Williams Lake British Columbia in 1985 to work as a reporter for the venerable Williams Lake Tribune he arrived on the scene of an armed robbery And that was before things got weird For a 22 year old from Vancouver a stint in the legendary Cariboo town was a trip to another world and another era From the explosive opening where Mark finds himself in a courtroom just a few feet away from a defendant with a bomb strapped to his chest to the case of a plane that crashed without its pilot on board *Never Shoot a Stampede Queen* is an unforgettable comic memoir of a city boy learning about and learning to love life in a cowboy town

The Other Side of Christmas e.b. lee, 2024-09-23 It s easy to look at the Christmas season through rose colored glasses but the scrappy radio show *The Other Side* makes it their mission to bring you a different point of view Through a series of vignettes host Thomas May guides his audience through moments that aren t exactly holiday card material Camping out on line for a Black Friday sale spending your first Christmas without a loved one forced fun at the office holiday party some funny some poignant all unexpected *The Other Side of Christmas* is a heartfelt and humorous play about putting down the burdens of perfection and embracing what truly makes the holiday season special each other **Rusty Nails, Broken Glass** S.C. Hayden, 2015-03-31 Creatively speaking this book is marvelous it is rich and refreshing and decadent Written wryly and masterfully Mr Hayden s twenty one short literary journeys will take you through the gamut horror laughter sarcasm and of course happy and sad Lurid Lit Hayden nails it again with this darkly delightful collection filled with unforgettable characters and their askew outlooks G L Giles Mr Hayden the devil told me if you continue to write this well you ll need to bargain the souls of your offspring as well Alexander Beresford Author of *Charla* A fantastic mixed bag of highly imaginative tales

Spectacular and strange wondrous and wild It felt like Hayden was The Hatter and I was a wide eyed enjoyably dazzled guest sitting at his tea party table HORNS Author of Chophouse and Stationhouse No 1 **What Day Is It, Ralphie?** Fred Maurice Plemmons,2008-12 Ralphie an elf in Santa s workshop was the keeper of the calendar a very important job One day he fell asleep in his chair he awoke as the elves were coming back from a break Thinking it is a new day Ralphie tears a page off the calendar This causes a BIG problem for the elves in the workshop **Tales of Gilarn** A. A. Jason,2017-11-20 Gilarn is a seven foot tall Tigras a feline race with blue fur and white stripes He is a swordsman wizard Along with his two siblings Zoe and Peter both swordsmen with orange fur and black stripes Lazena an Elven female swordsman wizard and Alton a male dwarf who is an explosives expert he goes to another planet to help the inhabitants fight off invaders The invaders are Urdaks a seven foot tall race of orbs who want to conquer the planet and enslave the inhabitants In the process they make friends and enemies **Tales of Christmases Past** Joe A. McBee,2014-03-04 In the mind s eye of the author a fairly large settlement exists at the North Pole There Santa and his elves live work and spend each year preparing the sleigh full of wonderful things for boys and girls the world around to find under their Christmas tree each year The centerpiece is Santa s workshop It is fitted out with workbenches and tools for the skillful elves to use as they form their creations Some of the elves are married and live in individual houses on the various residential streets Most of the single elves live in dormitory rooms above the workshop There are many other buildings similar to those you might find in any village around the world There are grocery stores service stations clothing stores a haberdashery a bakery a fire station and so on Santa and Matilda Clause live not far from the workshop in a house attached to a large barn where the reindeer live It is a large and thriving village populated with a variety of little people Gnomes Leprechauns dwarfs trolls elves and so on Across the square from Santa s workshop is the TDW an acronym for the Transportation Division Workshop where all sorts of wheeled conveyances are constructed With its large warehouse type doors it is the launching point for the numerous parades staged for the most trivial of occasions Such units as the Dwarf Marching Band resplendent in bright colored uniforms and the Marinette Twirlers also wearing vividly colorful outfits spill out through those doors to the applause of the other villagers It is the site of great energy all pointing to the most important night of the year Christmas Eve So give your imagination free reign and you will find these stories fascinating and entertaining **The Beginning** Jenna Elizabeth Johnson,2010-05-25 Imagine a world as rich as Tolkien s Middle earth a plot as multifaceted as Harry Potter an adventure that rivals Eragon and characters as memorable as the Wings of Fire dragons The Legend of Oescienne is an epic fantasy series beloved by children and adults alike A young heroine in training eager to prove her worth a domineering dragon determined to test her fortitude and an ancient curse threatening the very existence of their world High fantasy at its best In the twelve years since coming to live in Oescienne Jahrra has grown and learned about the magical world around her facing personal dangers challenges and enemies of her own despite having a dragon to watch over her Yet as the months pass her dragon guardians begin to grow

anxious There is evidence of an unknown evil in their midst a threat they cannot see or hear but one they can sense like a bad omen And it s only a matter of time before Jahrra becomes aware of the prophecy she is meant to fulfill and what she must sacrifice in order to survive what lies ahead Only one question remains will she be ready to face the Crimson King when the time comes or will the fate of Eth es be forever sealed in darkness Literary Classics Winner for Best Young Adult Series

Timestep Julian M. Olejniczak,2019-11-04 In 1965 a young Special Forces officer originally from Chicago and a young woman from North Carolina meet by chance Her father was wounded at Pearl Harbor aboard the USS Nevada but fought the duration of World War II aboard another battleship By the time that they meet Mike has served in South Korea and fought in South Vietnam where he was wounded and decorated for valor By that time however Gloria already had lost her father while she still was in her early teens After some initial difficulties eventually they are married while Mike is an assistant professor at West Point They go on to have three children and Mike is stationed in Kansas South Korea again Washington state and Alaska where he commands an infantry battalion Finally he is assigned to advise a National Guard brigade headquartered in New York City but the story suddenly unravels Mike takes ill while in New York and is hospitalized but his illness appears to have occurred much earlier and during a different assignment there Their marriage and the other duty assignments that followed apparently were the product of Mike s vivid imagination Then after a prolonged frequently comatose hospital stay he quietly dies in his sleep leaving a complex mystery to be solved And the mystery only becomes more complicated in the months that follow forcing the investigation into his death and a few graves to be reopened
