

A surrealist illustration on a dark background. A hand, appearing to be made of a textured, possibly metallic or stone-like material, is positioned at the bottom right. It holds a thin, light-colored string that extends upwards and to the left. The string is attached to a large, stylized eye located in the top left corner. The eye has a prominent iris and pupil, and its eyelids are slightly open. The overall composition suggests a connection between the physical (the hand) and the perceptual (the eye).
