Mabry, M.D., 2011-12-01 For Dr Cathy Sewell Code Blue means more than just the cardiac emergencies she faces it s the state of her life when the return to her hometown doesn t bring the peace she so desperately needs The town doctors resent the fact that she s not only a newcomer but also a woman and the devastating results from one of her prescriptions may mean the end of her practice As two men compete for her affection an enemy wants her out of town or possibly even dead Cathy returns to her hometown seeking healing after a broken relationship but discovers that among her friends and acquaintances is someone who wants her out of town or dead Lawyer Will Kennedy her high school sweetheart offers help but does it carry a price tag Is hospital chief of staff Dr Marcus Bell really on her side in her fight to get hospital privileges Is Will s father Pastor Matthew Kennedy interested in advising her or just trying to get her back to the church she left years ago When one of Cathy s prescriptions almost kills the town banker it sets the stage for a malpractice suit that could end her time in town if not her career It s soon clear that this return home was a prescription for trouble *Lyrical Iowa*, 2012 **The Wife Between Us** Greer

Folktales of Newfoundland (RLE Folklore) Herbert

Halpert, J.D.A. Widdowson, 2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and **Folktales of Newfoundland** is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator's language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case
