The Empty Land:

Empty Land Louis L'Amour, 1977 **The Empty Land** Louis L'Amour, 1995-04-01 For thousands of years the lonely canyon knew only wind and rain wild animals and an occasional native hunter Then a trapper found a chunk of gold and everything changed overnight In six days a town called Confusion appeared and on the seventh it could disappear consumed by the flames of lawlessness and violence On one side are those who understand only brute force On the other are men who want law and order but are ready to use a noose to achieve their ends Between them stand Matt Coburn and Dick Felton one a hardened realist the other an idealist trying to dig a fortune from the muddy hillside Outnumbered and outgunned Felton and Coburn can't afford to be outmaneuvered For as the two unlikely allies confront corruption betrayal and murder in an attempt to tame a town where the discovery of gold can mean either the fortune of a lifetime or a sentence of death they realize that any move could be their last **The Empty Land** Louis L'Amour, 2011-10-11 *The Empty Land (Louis L'Amour's Lost Treasures)* Louis L'Amour, 2021-05-25 As part of the Louis L'Amour's Lost Treasures series this edition contains exclusive bonus materials For thousands of years the lonely canyon knew only wind and rain wild animals and an occasional native hunter Then a trapper found a chunk of gold and everything changed overnight In six days a town called Confusion appeared and on the seventh it could disappear consumed by the flames of lawlessness and violence On one side are those who understand only brute force On the other are men who want law and order but are ready to use a noose to achieve their ends Between them stand Matt Coburn and Dick Felton one a hardened realist the other an idealist trying to dig a fortune from the muddy hillside Outnumbered and outgunned Felton and Coburn can't afford to be outmaneuvered For as the two unlikely allies confront corruption betrayal and murder in an attempt to tame a town where the discovery of gold can mean either the fortune of a lifetime or a sentence of death they realize that any move could be their last Louis L'Amour's Lost Treasures is a project created to release some of the author's more unconventional manuscripts from the family archives In Louis L'Amour's Lost Treasures Volume 1 and Louis L'Amour's Lost Treasures Volume 2 Beau L'Amour takes the reader on a guided tour through many of the finished and unfinished short stories novels and treatments that his father was never able to publish during his lifetime L'Amour's never before seen first novel No Traveller Returns faithfully completed for this program is a voyage into danger and violence on the high seas Additionally many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material including outlines plot notes and alternate drafts These postscripts tell the story behind the stories that millions of readers have come to know and cherish **The Empty Land** Alan Boucher, 1963 **The Empty Land** Michael Brandman, Gene Quintano, 2003 During the fall of 1888 in the Utah territory Felton and Zeller strike a gold mine that begins a frenzy and creates the town of Confusion The town is soon overtaken with the wild and ruthless but is brought under control by a tall imposing man named Matt Coburn *The Empty Land ... Illustrated by A.S. Douthwaite* Alan Estcourt BOUCHER, 1963 **The Concept of Exile in Ancient Israel and its**

Historical Contexts Ehud Ben Zvi, Christoph Levin, 2010-10-19 In ancient Israelite literature Exile is seen as a central turning point within the course of the history of Israel In these texts the Exile is a central ideological concept It serves to explain the destruction of the monarchic polities and the social and economic disasters associated with them in terms that YHWH punished Israel Judah for having abandoned his ways As it develops an image of an unjust Israel it creates one of a just deity But YHWH is not only imagined as just but also as loving and forgiving for the exile is presented as a transitory state Exile is deeply intertwined with its discursive counterpart the certain Return As the Exile comes to be understood as a necessary purification or preparation for a renewal of YHWH's proper relationship with Israel the seemingly unpleasant Exilic conditions begin discursively to shape an image of YHWH as loving Israel and teaching it Exile is dystopia but one that carries in itself all the seeds of utopia The concept of Exile continued to exercise an important influence in the discourses of Israel in the Second Temple period and was eventually influential in the production of eschatological visions

Postcoloniality and Forced Migration Martin Lemberg-Pedersen, Sharla M. Fett, Lucy Mayblin, Nina Sahraoui, Eva Magdalena Stambøl, 2022-08-23 This powerful book explicates the many ways in which colonial encounters continue to shape forced migration ever evolving with times and various geographical contexts Bringing historians political scientists sociologists anthropologists and criminologists together the book presents examples of forced migration events and politics ranging from the 18th century to the practices and geopolitics of the present day These case studies covering Europe Africa North America Asia and South America are then put in dialogue with each other to propose new theoretical and real world agendas for the field As the pervasive legacies of colonialism continue to shape global politics this unprecedented book moves beyond critique ahistoricity and Eurocentrism in refugee and forced migration studies and establishes postcoloniality and forced migration as an important field of migration research

Critical Issues in Early Israelite History Richard S. Hess, Gerald A. Klingbeil, Paul J. Ray Jr., 2008-06-30 The origin of the Israelites is one of the most frequently discussed issues among archaeologists and biblical scholars Only a few decades ago biblical stories such as the Conquest were heralded as confirmed by archaeology But in the 1970s Thomas L Thompson and John Van Seters were in the vanguard of a movement among scholars that was intent on reassessing the historical reliability of the biblical narratives This reassessment gained momentum during the 1980s and 1990s today the mainstream opinion is that there was no Conquest and the Israelites if they can be identified as a national entity or as a people did not arrive in Canaan by means of a military conquest For three days in March 2004 a group of scholars met to consider the state of the question and to provide a response to the predominant academic skepticism a response that considers the biblical text to be an important datum in the construction of the history of the people of Israel To do so the authors of the papers read at the conference take into account both biblical and extrabiblical literary evidence as well as the contributions of archaeology to describe as completely as possible what may be known about the early history of Israel Critical Issues in Early Israelite History publishes the papers read at this conference in the hope

that the result will be a balanced portrayal of this watershed event based on all of the currently available evidence
