The Money and the Power Sally Denton, Roger Morris, 2002-03-12 Las Vegas the name evokes images of divorce and dice gangsters and glitz But beneath it all is a sordid history that is much more insidious and far reaching than ever imagined The Money and the Power is the most comprehensive look yet at Las Vegas and its breadth of influence Based on five years of intensive research and interviewing Sally Denton and Roger Morris reveal the city s historic network of links to Wall Street international drug traffickers and the CIA In doing so they expose the disturbing connections amongst politicians businessmen and the criminals that harness these illegal activities Through this lucid and gripping indictment of Las Vegas Morris and Denton uncover a national ethic of exploitation violence and greed and provide a provocative reinterpretation of twentieth century American history Now this neon maelstrom of ruthlessness and greed stands to not as an aberrant sin city but as a natural outgrowth of the corruption and worship of money that have come to permeate American life Drugs 101,

2nd Edition Margaret O. Hyde, John F. Setaro, MD, 2013-01-01 What are illicit drugs Why do people use them What are the effects on the body of using drugs Are some drugs more dangerous than others What is addiction Why are some people able to stop using drugs at will while others become addicted Respected science author Margaret O Hyde and Yale University School of Medicine physician John F Setaro take a fresh approach to the problem of drug abuse among teens This book looks at drugs and drug abuse honestly and realistically from a review of the intoxicating and health effects of drugs to the war on drugs to the debate over legalization The authors straightforward descriptions of the physical psychological social and legal effects of drug use will be highly informative to those teens in the process of making a decision of about drugs The book will also benefit the one out of ten American teens who have already used drugs and will be invaluable to the many for whom drugs have become a dependency A self test for drug dependency and a list of website for organizations that can provide further information and assistance complete this practical teen friendly guide **The Enemy is Us** Robert H. Dowd, 1996

There are alternatives to ending our government s War on Drugs Offers in depth analysis of how the war on drugs originated and how it has evolved Asserts that the drug problem is made in America and that the government s war on drugs is replete with mistakes of the past Includes startling facts about the lucrative illegal drug trade Reveals shocking facts that before Prohibition drug use was declining and addiction ratios were far lower than today s The Enemy Is Us lays out a new perspective on the war on drugs that will restore confidence in the reader that a sensible drug solution is possible The book which took six years to complete solves the tangled drug problem with the boldness and precision that a 30 year background of military service in WWII Korea and Vietnam have instilled in the author Dowd a Miami native implores the government to take a cue from the failure of alcohol prohibition and consider what he believes is the only real solution to the problem repeal of drug prohibition and 25 years of the War on Drugs has only worsened the problem I say put it on the ballot and either legalize drugs or get rid of them but quit playing the games that enrich the evil strengthen the violence addict our children
