Stanley S. MacLean

The Eclipse Of Christ In Eschatology Toward A Christ Centered Approach:

The Eclipse of Christ in Eschatology Adrio König, 1989 *The Eclipse of Christ in Eschatology* Adrio König, 1999 *The Eclipse of Christ in Eschatology* Adrio König, 1989 König is persuasive and provocative His biblical and historical approach to systematic theology stays close to the pulse beat of the divine heart which we encounter in the Christ for us in us and with us Eschatology has to do not with the last things but with the person of Christ who is the first and the last One With this book König has pointed the way forward for a whole new generation of theological studies This book combines critical dogmatic inquiry with careful exegetical work in the finest of the tradition in biblical theology The result is a book on eschatology which is irenic in tone relevant to contemporary issues and surprising in its simplicity This book will inspire pastors to preach once again with conviction on the eschatological themes essential to Christian life and faith It might also put eschatology back once again into the theological curriculum *Representation and Substitution in the Atonement*

Theologies of Dorothee Sölle, John Macquarrie, and Karl Barth Jeannine Michele Graham, 2005 How does what happened 2000 years ago in the life death resurrection and ascension of Jesus Christ radically alter the human nature and life situation of men and women in every generation up to the present day Pursuit of this question provided the initial impetus for this book a study of two vital themes pertaining to the doctrine of atonement representation and substitution The author explores their meaning and role within the theologies of three significantly diverse contemporary theologians Dorothee Sölle John Macquarrie and Karl Barth concluding with a comparative analysis of all three perspectives in relation to each other

Resurrection, Apocalypse, and the Kingdom of Christ Stanley S. MacLean, 2012-04-19 In recent decades few Christian themes have attracted as much attention as that of eschatology or Christian hope Resurrection Apocalypse and the Kingdom of Christ explores the meaning of this theme for Thomas F Torrance one of the twentieth century's leading theologians This study the first of its kind brings Torrance's eschatology to light through an exploration of the whole range of his corpus including sermons lectures and correspondence It also demonstrates that his eschatology is molded by momentous historical events such as World War II the spread of communism and the ecumenical movement Out of all this we realize that eschatology is a central component of Torrance's theology so much so that it conditions his thinking on other Christian doctrines *Introducing Biblical Hermeneutics* Craig G. Bartholomew, 2015-11-10 2016 Word Guild Award Academic category Honorable mention Grace Irwin Prize Renowned scholar Craig Bartholomew coauthor of the bestselling textbook *The Drama of Scripture* writes in his main area of expertise hermeneutics to help seminarians pursue a lifetime of biblical interpretation Integrating the latest research in theology philosophy and biblical studies this substantive hermeneutics textbook is robustly theological in its approach takes philosophical hermeneutics seriously keeps the focus throughout on the actual process of interpreting Scripture and argues that biblical interpretation should be centered in the context and service of the church an approach that helps us hear God's address today *Christ and Theology* Scott Stine, 2025-02-17 Tracing

the relationship between Christ centered biblical theology and the so called Great Tradition this book seeks to remedy often self diagnosed weaknesses in evangelical gospel centered hermeneutics Meeting charges first that redemptive historical approaches to Scripture tend to de theologize the Bible and second that theological approaches tend to de historicize the Bible Scott Stine appropriates Calvin s famous spectacles metaphor to propose a hermeneutical method that orients the Scripture reader both upward theologically and forward redemptive historically The outcome is a unique approach called typological realism emphasizing that God reveals his good purposes along a typological trajectory inviting believers to participate in the journey This book does not seek to offer anything new to Christian interpretation of Scripture but to join together features from oft used approaches that not only fit together thematically but also remedy reductive tendencies The goal is to help those listening to Scripture as God s shepherding voice to hear the fullness of his revelation the purposeful process that culminates in the Beatific Vision **John Calvin (Afterword by R. C. Sproul)** Derek Thomas, John W.

Tweeddale, 2019-11-05 More than 500 years ago 16th century Reformer John Calvin was born a theologian whose teachings set the stage for reformation of the church around the world The modern world is in continual need of his Christ exalting doctrine and vision of the Christian life In 20 essays by leading Reformed pastors and scholars this primer explores Calvin s life teaching and legacy for a new generation This book is a clarion call to Christians everywhere to take seriously the ongoing need of theological reformation across the globe Christ and the New Creation Matthew Y. Emerson, 2013-04-10

In Christ and the New Creation Matthew Emerson takes a fresh approach to understanding New Testament theology by using a canonical methodology Although typically confined to Old Testament theology Emerson sees fruitfulness in applying this method to New Testament theology as well Instead of a thematic or book by book analysis Emerson attempts to trace the primary theological message of the New Testament through paying attention to its narrative and canonical shape He concludes that the order of the books of the New Testament emphasize the story of Christ s inauguration commissioning and consummation of the new creation Christian Theology Adam Harwood, 2022-10-19 The church has been entrusted with God s revelation and to steward the word of truth we must confess the Bible s teaching with clarity and conviction Adam Harwood s Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why
