

THE ELUSIVE EDEN

Frank McMullan's Confederate Colony in Brazil

WILLIAM CLARK GRIGGS

The Elusive Eden Frank McMullans Confederate Colony In Brazil

Earl Richard Downes

The Elusive Eden Frank McMullans Confederate Colony In Brazil:

The Elusive Eden William Clark Griggs, 1987 Written by a direct descendant of the McMullan family The Elusive Eden is the first study of Frank McMullan's colony The book sheds new light on a forgotten episode of Texas and Latin American history Drawing on a vast body of unpublished documentary material some still in private hands it opens a new vista on the troubled years following the Civil War back cover The Elusive Eden William C. Griggs, *The United States and the Luso-Brazilian Empires* Earl Richard Downes, 2025-04-02 This volume highlights factors that led to the onset of the U S presence within colonial Brazil's mercantilist economy and then the independent Brazilian empire's agricultural scientific religious and educational institutions The book examines the interaction of U S businessmen explorers scientists immigrants missionaries and educators with the dominant institutions of the Luso-Brazilian empires Employing an institutionalist framework to describe the interplay between forces of change versus forces of inertia that conditioned the economic and sociocultural development of the two empires the book explains how Portuguese and Brazilian technical innovators employed contacts with the United States for more than a century to attempt to alter Brazil's economy and society This book will be of interest to students and scholars of U S Brazil relations and Latin American history more generally *The Confederados* Cyrus B. Dawsey, James M. Dawsey, 1995 Of all the colonies founded by former Confederates in Latin America the most important was established by William Norris at Americana in southeastern Brazil For 125 years the people in Americana have held on to their language and customs while prospering within and contributing to the larger Brazilian economy and society The original settlers came from Alabama Texas Louisiana Georgia and South Carolina and some of them returned home for visits from time to time Much has been written about these people but there has been relatively little scholarly inquiry into the historical context and the events of the migration itself the cultural impact that these confederados exerted on their host country and the ways in which the original settlers and their descendants fit into the larger Brazilian society Most immigrant nationalities arriving in Brazil were quickly absorbed by the surrounding culture Although the Confederates numbered but a few thousand and appeared earlier than most of the groups from other nations they maintained distinctive traits and many of their descendants still speak English as a first language The editors provide an excellent scholarly examination of the confederados that is unique in its approach This volume focuses on the Norris settlement near present day Americana and makes clear the ways in which the Americans influenced Brazilian culture beginning in the 1860s and continuing to the present Confederates in the Tropics Sharon Hartman Strom, Frederick Stirton Weaver, 2011-05-17 Charles Swett 1828 1910 was a prosperous Vicksburg merchant and small plantation owner who was reluctantly drawn into secession but then rallied behind the Confederate cause serving with distinction in the Confederate Army After the war some of Swett's peers from Mississippi and other southern states invited him to explore the possibility of settling in British Honduras or the Republic of Honduras *Confederates in the Tropics* uses Swett's 1868 travelogue to explore the motives of would be

Confederate migrants fleeing defeat and Reconstruction in the United States South The authors make a comparative analysis of Confederate communities in Latin America and use Charles Swett s life to illustrate the travails and hopes of the period for both Black and white people Swett s diary is presented here in its entirety in a clear accessible format edited for contemporary readers Swett s style except for his passionate prefatory remarks is a remarkably unsentimental even scientific look at Belize and Honduras more akin to a field report than a romantic travel account In a final section the authors suggest why the expatriate communities of white Southerners nearly always failed and they follow up on Swett s life in Mississippi in a way that sheds light on why disgruntled Confederates decided to remain in or eventually to return to the US South **The**

Ranger Ideal Volume 1 Darren L. Ivey,2017-10-15 Established in Waco in 1968 the Texas Ranger Hall of Fame and Museum honors the iconic Texas Rangers a service which has existed in one form or another since 1823 They have become legendary symbols of Texas and the American West Thirty one Rangers with lives spanning more than two centuries have been enshrined in the Hall of Fame In *The Ranger Ideal Volume 1 Texas Rangers in the Hall of Fame 1823 1861* Darren L Ivey presents capsule biographies of the seven inductees who served Texas before the Civil War He begins with Stephen F Austin the Father of Texas who laid the foundations of the Ranger service and then covers John C Hays Ben McCulloch Samuel H Walker William A A Bigfoot Wallace John S Ford and Lawrence Sul Ross Using primary records and reliable secondary sources and rejecting apocryphal tales *The Ranger Ideal* presents the true stories of these intrepid men who fought to tame a land with gallantry grit and guns This Volume 1 is the first of a planned three volume series covering all of the Texas Rangers inducted in the Hall of Fame and Museum in Waco Texas [Handbook Of Research On The International Relations Of Latin America And The Caribbean](#)

G. Pope Atkins,2018-02-12 The study of Latin American and Caribbean international relations has a long evolution both within the development of international relations as a general academic undertaking and in terms of the particular characteristics that distinguish the approaches taken by scholars in the field This handbook provides a thorough multidisciplinary reference guide to the literature on the various elements of the international relations of Latin America and the Caribbean Citing over 1600 sources that date from the nineteenth century to the present with emphasis on recent decades the volume s analytic essays trace the evolution of research in terms of concepts issues and themes The Handbook is a companion volume to Atkins *Latin America and the Caribbean in the International System* Fourth Edition but also serves as an invaluable stand alone reference volume for students scholars researchers journalists and practitioners both official and private *Parson Henry Renfro* William C. Griggs,2014-02-04 The years following the Texas

Revolution held even more turbulent events as diverse droves of pioneers crossed the Sabine and Red Rivers to start new lives in Texas Early Texas society contended with religious issues family life in a rugged environment and the Civil War This cultural history was clearly reflected in the life of frontier preacher Henry C Renfro Migrating to Texas in 1851 Renfro enrolled in the fledgling Baylor University and became a Baptist preacher Eventually disillusioned with Baptist orthodoxy

Renfro was disenfranchised on charges of infidelity as he embraced the ideals of the Free Thought Movement inspired by the writings of men such as Thomas Paine Spinoza and Robert Ingersoll Renfro's Civil War experience was no less unusual Serving as both soldier and chaplain Renfro left a valuable legacy of insight into the conflict captured in a wealth of correspondence that is in itself significant Drawing on a vast body of letters speeches sermons and oral histories that had never before been available this chronological narrative of The Parson's life describes significant changes in Texas from 1850 to 1900 especially the volatile formation and growth of Baptist churches in North Central Texas William Griggs study yields numerous new details about the Free Thought Movement and depicts public reaction to sectarian leaders in nineteenth century Texas The author also describes the developing Central Texas region known as the Cross Timbers including the personal dynamics between a frontier family and its patriarch and encompassing such issues as property conflicts divorce and family reconciliation This work unlocks an enlightening engaging scene from Texas history

Los Brazos de Dios Sean M. Kelley, 2010-11 Historians have long believed that the frontier shaped Texas plantation society but in this detailed examination of Texas's most important plantation region Sean M Kelley asserts that the dominant influence was not the frontier but the Mexican Republic The Lower Brazos River Valley the only slave society to take root under Mexican sovereignty made replication of eastern plantation culture extremely difficult and complicated By tracing the synthesis of cultures races and politics in the region Kelley reveals a distinct variant of southern slavery a borderland plantation society Kelley opens by examining the four migration streams that defined the antebellum Brazos community Anglo Americans and their African American slaves who constituted the first two groups to immigrate Germans who came after the Mexican government barred immigrants from the U S while encouraging those from Europe and African born slaves brought in through Cuba who ultimately made up the largest concentration of enslaved Africans in the antebellum South Within this multicultural milieu Kelley shows the disparity between Mexican law and German practices complicated southern familial relationships and master slave interaction Though the Mexican policy on slavery was ambiguous alternating between toleration and condemnation Brazos slaves perceived the Rio Grande River as the boundary between white supremacy and racial egalitarianism As a result thousands fled across the border further destabilizing the Brazos plantation society In the 1850s nonslaveholding Germans also contributed to the upheaval by expressing a sense of ethnic solidarity in politics In an attempt to undermine Anglo efforts to draw a sharp boundary between black and white some Germans hid runaway slaves Ultimately Kelley demonstrates how the Civil War brought these issues to the fore eroding the very foundations of Brazos plantation society With *Los Brazos de Dios* Kelley offers the first examination of Texas slavery as a borderland institution and reveals the difficulty with which southern plantation society was transplanted in the West

Manifest Destiny's Underworld Robert E. May, 2002 Offering the first full scale analysis of the filibustering movement Robert May relates the often tragic stories of illegal expeditions into Cuba Mexico Ecuador Nicaragua and other Latin American countries and

details surprising numbers of aborted plots as well May investigates why thousands of men joined filibustering expeditions how they were financed and why the U S government had little success in curtailing them Surveying antebellum popular media he shows how the filibustering phenomenon infiltrated the American psyche in newspapers theater music advertising and literature Condemned abroad as pirates frequently in language strikingly similar to modern American denunciations of foreign terrorists the filibusters were often celebrated at home as heroes who epitomized the spirit of Manifest Destiny

The Elusive Eden Frank McMullans Confederate Colony In Brazil Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Elusive Eden Frank McMullans Confederate Colony In Brazil PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization

of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Elusive Eden Frank McMullans Confederate Colony In Brazil PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Elusive Eden Frank McMullans Confederate Colony In Brazil free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Elusive Eden Frank McMullans Confederate Colony In Brazil Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Elusive Eden Frank McMullans Confederate Colony In Brazil is one of the best book in our library for free trial. We provide copy of The Elusive Eden Frank McMullans Confederate Colony In Brazil in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Elusive Eden Frank McMullans Confederate Colony In Brazil. Where to download The Elusive Eden Frank McMullans Confederate Colony In Brazil online for free? Are you looking for The Elusive Eden Frank McMullans Confederate Colony In Brazil PDF? This is definitely going to save you time and cash in something you should think about.
