EMIGRANTS A POEM IN 2 BKS Charlotte Turner 1749-1806 Smith, 2016-08-26 **Charlotte Smith** Jacqueline M. Labbe, 2003 Smith is shown to be both an innovator and a significant figure in understanding Romantic conceptions of gender As the first book devoted to a serious critical study of Smith's poetry Charlotte Smith Romanticism poetry and the culture of gender will appeal to professional scholars and students alike Jacket *The emigrants*, Smith, 1793 **The Emigrants; a Poem in Two Books** Charlotte Smith, 2017-11-28 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates *Charlotte Smith: Major Poetic Works* Charlotte Smith, 2017-05-30 Immensely popular with contemporary readers Smith's major poetic works are foundational texts of the Romantic period Smith's innovations in poetic form have also placed her at the forefront of

twenty first century scholarship on the period This edition presents her three major poetic works Elegiac Sonnets 1784 1800 The Emigrants 1793 and Beachy Head 1807 While the significance of these three volumes of poetry was recognized in their own time this edition suggests that they remain major texts for thinking through such questions as the relationship between public and private the ethical treatment of refugees and other persecuted people the position of women in a patriarchal society and the usefulness of science as a way of making sense of a complex and ever changing world This Broadview edition includes a new critical introduction that takes into account the developments in scholarship on Smith s work and women s writing over the past three decades and it provides readers with a wealth of contextual material for understanding the writer and the social and literary environment within which she wrote including key works by her precursors and contemporaries selections from her letters and reviews of her poetry *Charlotte Smith in British Romanticism* Jacqueline

Labbe,2015-10-06 Charlotte Smith s early sonnets established the genre as a Romantic form her novels advanced sensibility beyond its reliance on emotional facility and her blank verse initiated one of the most familiar of Romantic verse forms This volume draws together the best of current scholarship *The Broadview Anthology of Literature of the Revolutionary Period 1770-1832* D.L. Macdonald,Anne McWhir,2010-03-04 The selections from 132 authors in this anthology represent gender social class and racial and national origin as inclusively as possible providing both greater context for canonical works and a sense of the era s richness and diversity In terms of genre poetry non fiction prose philosophy educational writing and prose fiction are included Geographically America Canada Australia India and Africa are represented along with Britain emphasizing Romantic literature as a world literature Biographical headnotes explanatory footnotes and an extensive bibliography clarify and illuminate the texts for readers **The Broadview Anthology of Literature of the**

Revolutionary Period 1770-1832 ,2010 *The Emigrant's Tale* James Bird,1835 **Writing Romanticism** J.

Labbe,2011-06-13 What is Wordsworthian Romanticism and how did it evolve This book argues that only by reading Charlotte Smith s poetry in tandem with William Wordsworth s can this question be answered demonstrating their mutual contribution to the creation of the Wordsworthian through literary analysis and historical contextualizing of their writings

Romanticism, Lyricism, and History Sarah MacKenzie Zimmerman,1999-01-01 Arguing against a persistent view of Romantic lyricism as an inherently introspective mode this book examines how Charlotte Smith William Wordsworth and John Clare recognized and employed the mode s immense capacity for engaging reading audiences in reflections both personal and social Zimmerman focuses new attention on the Romantic lyric s audiences not the silent passive auditor of canonical paradigms but historical readers and critics who can tell us more than we have asked about the mode s rhetorical possibilities She situates poems within the specific circumstances of their production and consumption including the aftermath in England of the French Revolution rural poverty the processes of parliamentary enclosure the biographical contours of poet s careers and the myriad exchanges among poets patrons publishers critics and readers in the literary

marketplace **The Works of Charlotte Smith, Part III** Stuart Curran, 2022-08-04 Includes the works of Charlotte Smith revealing a writer who wrote well in many genres and in whatever form she undertook was innovative with the forms she inherited and strongly influential on those who followed her **Romantic Localities** Christoph Bode, 2015-10-06 Romantic Localities explores the ways in which Romantic period writers of varying nationalities responded to languages landscapes both geographical and metaphorical and literatures *Florizel's Folly* John Ashton, 1899 **Revolutionary Women Writers** Angela Keane, 2013 In the 1790s when Charlotte Smith and Helen Maria Williams were at the peak of their critical reputations they were known to each other and often cited together approvingly It was Smith who provided the young William Wordsworth with a letter of introduction to Williams when he visited France in 1791 though she had left by the time he got there By the end of the decade Smith and Williams were being cited together more pejoratively as two of a number of women who came to stand for the amoral sexually suspect and politically naïve English Jacobins who were vilified in the conservative press Neither were in fact Jacobins but they were revolutionary This book looks at how Smith and Williams earned such reputations and at the politics and poetics of the works that reveal Smith to be a self constructed Romantic and Williams as a mistress of intimate disguise The Poems of Charlotte Smith Charlotte Smith, 1993-12-09 Charlotte Smith 1749 1806 was the author of ten novels a play and a host of innovative educational books for children as well as several volumes of poetry that helped set priorities and determine the tastes of the culture of early Romanticism Her Elegiac Sonnets sparked the sonnet revival in English Romanticism The Emigrants initiated its passion for lengthy meditative introspection and Beachy Head lent its poetic engagement with nature a uniquely telling immediacy Smith was a woman Wordsworth remarked a quarter century after her death to whom English verse is under greater obligations than are likely to be either acknowledged or remembered True to his prediction Smith's poetry has virtually dropped from sight and thus from cultural consciousness This the first edition of Smith's collected poems will restore to all students of English poetry a distinctive compelling voice Likewise the recovery of Smith to her rightful place among the Romantic poets must spur the reassessment of the place of women writers within that culture
