W. Findon, 2015-07-02 Excerpt from *Sir Arthur Sullivan His Life and Music* In this book I have tried to give as just a view of Sullivan's life and work as it is possible for one who loved him as a kinsman and appreciated his sterling qualities as a friend and composer Many of these pages reflect the spirit of numerous conversations and his opinions on matters which he would not openly discuss in his lifetime I have touched only on such controversial subjects as justice demands and have avoided as far as possible the personal note My chief aim has been to produce a handy little volume which shall be useful alike to the student and the musical amateur About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Sir Arthur Sullivan* Benjamin William Findon, 1976 **Sir Arthur Sullivan** Arthur Lawrence, 2001-01-01 SIR ARTHUR SULLIVAN Benjamin William 1859-1943 Findon, 2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the

Young,1971-01-01 Arthur Sullivan Ian Bradley,2021-04-08 This book charts the life of Arthur Sullivan the best loved and most widely performed British composer in history While he is best known for his comic opera collaborations with W S Gilbert it was his substantial corpus of sacred music which meant most to him and for which he wanted to be remembered His upbringing and training in church music and his own religious beliefs substantially affected both his compositions for the theatre and his more serious work which included oratorios cantatas sacred ballads liturgical pieces and hymns Focusing on the spiritual aspects of Sullivan s life which included several years as a church organist involvement in Freemasonry and an undying attachment to Anglican church music Ian Bradley uses hitherto undiscovered letters diary entries and other sources to reveal the important influences on his faith and his work No saint and certainly no ascetic he was a lover of life and enjoyed its pleasures to the full At the same time he had a rare spiritual sensitivity a sincere Christian faith and a unique ability to uplift through both his character and his music that can best be described as a quality of divine emollient Sir Arthur Sullivan, His Life and Music Benjamin William Findon,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1904 edition Excerpt chapter vii the comic opera period We have now to discuss that phase of art in which it is frankly admitted Sullivan reigned supreme and sat upon a throne of his own making Before his coming a comic opera of native origin was a thing almost unknown and such works of the kind as found favour with the public were imported from France Offenbach had set the town ringing with the strains of The Grand Duchess and Lecocq with La Fille de Madame Angot and the works of both composers were eagerly awaited by managers and public In a modest way the German Reeds opened up an avenue for English oper1 cox and box 95 ettas in the early sixties but they made no distinct appeal to the community at large The entertainment at the Gallery of Illustration and subsequently at St George s Hall was of the harmless order which found favour with people who thought it a sin to visit a theatre Musical diversion in the regular places of amusement was confined to burlesque That these French operettas were profitable speculations was clear to any one with the least knowledge of theatrical affairs and business in general When Sullivan scored such a marked success with his initial effort Cox and Box we may fairly assume that visions of more important triumphs haunted his mind The Contrabandista and

Thespians gave the young composer additional belief in his powers and with the production of *Trial by Jury* at the Royalty in 1875 he must have been convinced that he could beat the Frenchmen on their own ground. With the composition of *Cox and Box* he sprang after the manner of Minerva fully armed into the arena of comic opera. Almost every characteristic that is to be found in his later work is to be found in a modified way in that deli
