Nolan Sisters, and, Making waves The Nolan Sisters, 2009 **The Vatarad Sisters** J.-K. Huysmans, 2021-12-14 Les Soeurs Vatarad described by its author as a lewd but exact slice of life was J K Huysmans second novel Huysmans abandoned poetry and turned to the novel at a time when the works of Emile Zola were intensely controversial Les Soeurs Vatarad is dedicated to Zola by his fervent admirer and devoted friend In it Huysmans vividly depicts the scene that for his generation of French writers stood for the contemporary world the brutal teeming life of the industrial quarters of Paris in the 1870s Huysmans Vatarad sisters are D sir e an urchin of fifteen a brunette with large pale eyes that were somewhat crossed plump without being fat attractive and clean and C line the carouser a big girl with clear eyes and hair the color of straw a solid vigorous girl whose blood raced and danced in her veins The two are part of that bizarre race of young women who work as

bookbinders whose lives revolve around the gaslighted bindery works the gaudy shop windows and cheap wineshops that Huysmans describes with minute and colorful detail His precisely observed sketches show that Naturalism as practiced by Buysmans had none of Zola's emphasis on scientific determinism but centered primarily on the faithful rendering of what he described as living persons in real milieus The *Vatard Sisters* is the first English translation of *Les Soeurs Vatard* *Goal Sisters* Ann Leach, Michelle Beaulieu Pillen, 2004 This exciting book explains how to find and work with a goal sister or a group of them to set and achieve goals from changing careers to losing weight to starting a relationship *Making Waves* Margaret Attack, Alison S. Zhao, 2023-02-16 The 2010s have seen an explosion in popularity of Chinese television featuring same sex intimacies LGBTQ identified celebrities and explicitly homoerotic storylines even as state regulations on vulgar and immoral content grow more prominent This emerging queer TV China culture has generated diverse cyber and transcultural queer fan communities Yet these seemingly progressive televisual productions and practices are caught between multilayered sociocultural and political economic forces and interests Taking queer as a verb an adjective and a noun this volume counters the Western centric conception of homosexuality as the only way to understand nonnormative identities and same sex desire in the Chinese and Sinophone worlds It proposes an analytical framework of

queering TV China to explore the power of various TV genres and narratives censorial practices and fandoms in queer desire voicing and subject formation within a largely heteropatriarchal society Through examining nine cases contesting the ideals of gender sexuality Chineseness and TV production and consumption the book also reveals the generative negotiative ways in which queerness works productively within and against mainstream seemingly heterosexual oriented televisual industries and fan spaces This cornucopia of fresh and original essays opens our eyes to the burgeoning queer television culture thriving beneath official media crackdowns in China As diverse as the phenomenon it analyses Queer TV China is the spark that will ignite a prairie fire of future scholarship Chris Berry Professor of Film Studies King's College London This timely volume explores the various possibilities and nuances of queerness in Chinese TV and fan culture Challenging the dichotomy of positive and negative representations of gender and sexual minorities Queer TV China argues for a multilayered and queer informed understanding of the production consumption censorship and recreation of Chinese television today Geng Song Associate Professor and Director of Translation Program University of Hong Kong

Benton Frank, 2014-06-03 Hurricane season begins early and rumbles all summer long well into September Often people s lives reflect the weather and The Hurricane Sisters is just such a story Once again New York Times bestselling author Dorothea Benton Frank takes us deep into the heart of her magical South Carolina Lowcountry on a tumultuous journey filled with longings disappointments and finally a road toward happiness that is hard earned There we meet three generations of women buried in secrets The determined matriarch Maisie Pringle at eighty is a force to be reckoned with because she will have the final word on everything especially when she s dead wrong Her daughter Liz is caught up in the classic maelstrom of being middle age and in an emotionally demanding career that will eventually open all their eyes to a terrible truth And Liz s beautiful twenty something daughter Ashley whose dreamy ambitions of her unlikely future keeps them all at odds Luckily for Ashley her wonderful older brother Ivy is her fierce champion but he can only do so much from San Francisco where he resides with his partner And Mary Beth her dearest friend tries to have her back but even she can t talk headstrong Ashley

out of a relationship with an ambitious politician who seems slightly too old for her. Actually Ashley and Mary Beth have yet to launch themselves into solvency. Their prospects seem bleak. So while they wait for the world to discover them and deliver them from a ramen-based existence, they placate themselves with a hare-brained scheme to make money, but one that threatens to land them in huge trouble with the authorities. So where is Clayton, Liz's husband? He seems more distracted than usual. Ashley desperately needs her father's love and attention, but what kind of a parent can he be to Ashley with one foot in Manhattan and the other one planted in indiscretion? And Liz, who's an expert in the field of troubled domestic life, refuses to acknowledge Ashley's precarious situation. Who's in charge of this family? The wake-up call is about to arrive. The Lowcountry has endured its share of war and bloodshed like the rest of the South, but this storm season we watch Maisie, Liz, Ashley, and Mary Beth deal with challenges that demand they face the truth about themselves. After a terrible confrontation, they are forced to rise to forgiveness, but can they establish a new order for the future of them all? Frank, with her hallmark scintillating wit and crisp insight, captures how a complex family of disparate characters and their close friends can overcome anything through the power of love and reconciliation. This is the often hilarious, sometimes sobering, but always entertaining story of how these unforgettable women became The Hurricane Sisters.

Feminist Activism in the Post-2010s Sinosphere Elisabeth L. Engebretsen, Jinyan Zeng, 2024-12-12. Bringing together scholars and scholar activists from a wide range of disciplines, this groundbreaking book delves into the diversity and vibrancy of feminist activism in Xi-era China. *Feminist Activism in the Post-2010s Sinosphere* examines a variety of urgent feminist issues in 21st-century China, including the MeToo movement, online misogyny, feminism in popular media, and the experiences and rights of queer, trans, and ethnic minority groups. The chapters explore shifting dynamics between state feminism, NGO, and grassroots movements; the intersection of academia and intellectual discourse; the interplay of art and activism; the increasing reliance on digital media platforms; and the evolving re-formations of transnational and diasporic alliances alongside their creative strategic practices. Drawing on timely research and situated knowledges, the contributors offer innovative and provocative perspectives supported by nuanced conceptual frameworks and rich empirical data. What are the specific characteristics of feminist activism grounded in the Sinosphere and Chinese contexts today? How is violence analyzed through an intersectional lens, and how do feminist engagements respond to precarity in the context of a pandemic and authoritarian governance? This anthology is an insightful and stimulating read for anyone interested in intersectional feminist mobilizations, contemporary Sinophone and Chinese society and politics, and LGBTQ studies.
