Gill, Roger D. Markwick, 2000-03-23 The decade and a half since Gorbachev came to power has been a tumultuous time for Russia It has seen the expectations raised by perestroika dashed the collapse of the Soviet superpower and the emergence of a new Russian state claiming to base itself on democratic market principles It has seen a political system shattered by a president turning tanks against the parliament and then that president configuring the new political structure to give himself overwhelming power These upheavals took place against a backdrop of social dislocations as the Russian people were ravaged by the effects of economic shock therapy This book explains how these momentous changes came about and in particular why political elites were able to fashion the new political system largely independent of the wishes of the populace at large It was this relationship between powerful elites and weak civil society forces which has led to Russian democracy under Yeltsin being still born The American Bibliography of Slavic and East European Studies Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology **Global Order** Lynn H Miller, 2018-03-05 A survey of international relations this benchmark text explains concepts of global order from the Westphalian system to current issues in international relations In this latest edition Lynn Miller covers new developments in ethnic violence economic development human rights intervention and environmental issues and discusses the potential developments and choices in the post Cold War era posing alternative new world order scenarios that emphasize improving the world s ability to engage in peacekeeping in light of the Gulf War and other recent conflicts The text advocates critical world order values and proposes means for minimizing violence maximizing economic well being enhancing human rights and protecting the environment

The Rise and Fall of the Soviet Empire Raymond Pearson, 2002-07-04 The Rise and Fall of the Soviet Empire describes and explains the creation maintenance and eventual demise of the Soviet regime across post 1945 Eastern Europe Balancing internal factors such as resilient nationalism against external factors such as America s acceleration of the arms race Raymond Pearson sets the so called Soviet Empire within the broader context of global imperialism and decolonisation Full coverage is also given to the dramatic episodes of Eastern Europe dissent and the chequered career of the ostensibly

monolithic Soviet Empire This revised and updated second edition features an expanded final chapter on the Last Empire assessing not only its patent strengths and hidden weaknesses but also its much publicised vices and rarely acknowledged virtues New documentation that has only become available in the last five years has been incorporated to provide a fuller retrospective historical judgement on the Soviet regime across Eastern Europe *The Left In History* Willie Thompson,1997 Essential and rather chastening reading for anyone who believes left values need to have some effective public resonance and political impact and wants to learn from the few victories and many defeats experienced over the 20th century Socialist History One of the most accurate comprehensive and stimulating histories of the left New Times *The British Study of Politics in the Twentieth Century* Jack Hayward,Brian Barry,Archie Brown,2003-05-01 The distinctive strength of political science in Britain is revealed in this indispensable guide to modern British scholarship in the field As well as charting the development of the discipline the essays examine the innovative contributions to the study of nationalism totalitarianism and authoritarianism and the influential British approach to international relations The fourteen distinguished authors have provided a major contribution to our understanding of the contemporary state of political science *The Politics of Multinational States* Don MacIver,2016-07-27 The events of recent years have demonstrated beyond doubt not only that ethnic pluralism presents major problems for the management of political systems but that it is also a major cause of their failure and disintegration This timely and topical book discusses the general issue of ethnic pluralism and considers a range of types of multi ethnic society within a common analytical framework It then examines the responses of governments to the problems of ethnic diversity and assesses the effects of ethnic conflict on the development and viability of states **History for the IB Diploma Paper 3 The Soviet Union and Post-Soviet Russia (1924-2000)** Allan Todd,2016-04-14 Comprehensive books to support study of History for the IB Diploma Paper 3 revised for first assessment in 2017 This coursebook covers Paper 3 History of Europe Topic 16 The Soviet Union and post Soviet Russia 1924 2000 of the History for the IB Diploma syllabus for first assessment in 2017 Tailored to the Higher Level requirements of the IB syllabus and written by experienced IB History examiners and teachers it offers authoritative and engaging guidance through the topic The Burdens of Freedom Padraic Kenney,2013-04-04 From Estonia to Macedonia this book is a history of 15 countries as they negotiate their transition from communism For some the story ends happily with triumphant entry into the European Union in 2004 Others are caught in limbo destroyed by nationalist politics war and genocide or crippled by corrupt political practices The Burdens of Freedom considers the effects of revolutionary change the resurgence of nationalism and the painful examination of the past It looks at the process of building stable democratic states and their integration with international structures Most of the countries have established admission to the EU as a national objective but many of them have also been active participants in the American led occupation of Iraq Domestically each has seen a divide emerge between winners and losers All are moving forward simultaneously to democracy unity and prosperity but also to national

division and economic disparity
