readers up to date with worldwide developments in education reform by providing scholarly information and practical
analysis from recognized international authorities As the only peer reviewed scholarly publication that combines authors
voices without regard for the political affiliations perspectives or research methodologies IJER provides readers with a
balanced view of all sides of the political and educational mainstream To this end IJER includes but is not limited to inquiry
based and opinion pieces on developments in such areas as policy administration curriculum instruction law and research
IJER should thus be of interest to professional educators with decision making roles and policymakers at all levels turn since
it provides a broad based conversation between and among policymakers practitioners and academicians about reform goals
objectives and methods for success throughout the world Readers can call on IJER to learn from an international group of
reform implementers by discovering what they can do that has actually worked IJER can also help readers to understand the
pitfalls of current reforms in order to avoid making similar mistakes Finally it is the mission of IJER to help readers to learn
about key issues in school reform from movers and shakers who help to study and shape the power base directing
