spotlighting the events and people with whom he was most closely associated When Winston Churchill was still in his teens he was already a man in a hurry partly due to his fear that like his father he would die young Born into aristocratic politics he sought glory through battle as a means to secure a position in politics fame and money through the writing of books To promote their careers both he and his father made full use of their family connections and the allure of their social life Among the telling details revealed are that his mother Jennie Jerome Lady Randolph was an American heiress and was his major adviser and reliable friend when he was younger and that his wife Clementine disliked and distrusted many of Winston's political cronies This A Z biographical dictionary covers everything from his grandiose spending trademark agar and whiskey sodas and silk underwear to his mother's many marriages and affairs and his relationships with Edward VIII and Queen Elizabeth II

Churchill, Roosevelt & Company Lewis E. Lehrman,2017-01-30 During World War II the special relationship between the United States and Great Britain cemented the alliance that won the war But the ultimate victory of that partnership has obscured many of the conflicts behind Franklin Roosevelt's grins and Winston Churchill's victory signs the clashes of principles and especially personalities between and within the two nations Synthesizing an impressive variety of sources from memoirs and letters to histories and biographies Lewis Lehrman explains how the Anglo American alliance worked and occasionally did not work by presenting portraits and case studies of the men who worked the back channels and back rooms the secretaries and under secretaries ambassadors and ministers responsible for carrying out Roosevelt's and Churchill's agendas while also pursuing their own and thwarting others This was the domain of Joseph Kennedy American ambassador to England often at odds with his boss spymasters William Donovan and William Stephenson Secretary of State Cordell Hull whom FDR frequently bypassed in favor of Under Secretary Sumner Welles British ambassadors Lord Lothian and Lord Halifax and above them all Roosevelt and Churchill who had the difficult task not always well performed of managing their subordinates and who frequently chose to conduct foreign policy directly between themselves

Scrupulous in its research and fair in its judgments Lehrman's book reveals the personal diplomacy at the core of the Anglo American alliance

Operation Sea Lion Leo McKinstry,2014-11-13 This immaculately researched and compellingly written WWII history sheds new light on Britain s critical victory against Nazi invasion The New Criterion In the summer of 1940 the Nazi war machine was at its zenith France Denmark Norway and the Low Countries were all under occupation Only Britain stood in the way of the complete triumph and Hitler planned a two pronged offensive a blistering aerial bombardment followed by a land invasion to subdue his final enemy But for the first time in the war Hitler did not prevail As Leo McKinstry details in this fascinating new history the British were far more ruthless and proficient than is usually recognized The brilliance of the RAF in the Battle of Britain was not an exception but part of a pattern of magnificent organization that thwarted Hitler s armies at every turn Using a wealth of archival and primary source materials Leo McKinstry provides a groundbreaking new assessment of the six fateful months in mid 1940 when Operation Sea Lion was all that stood between the Nazis and total victory

The Churchill Factor Boris Johnson,2015-10-27 From London s inimitable mayor Boris Johnson the New York Times bestselling story of how Churchill s eccentric genius shaped not only his world but our own On the fiftieth anniversary of Churchill s death Boris Johnson celebrates the singular brilliance of one of the most important leaders of the twentieth century Taking on the myths and misconceptions along with the outsized reality he portrays with characteristic wit and passion a man of contagious bravery breathtaking eloquence matchless strategizing and deep humanity Fearless on the battlefield Churchill had to be ordered by the king to stay out of action on D day he pioneered aerial bombing and few could match his experience in organizing violence on a colossal scale yet he hated war and scorned politicians who had not experienced its horrors He was the most famous journalist of his time and perhaps the greatest orator of all time despite a lisp and the chronic depression he kept at bay by painting His maneuvering positioned America for entry into World War II even as it ushered in England s postwar decline His open mindedness made him a trailblazer in health care education and social welfare though he remained incorrigibly politically incorrect Most of all he was a rebuttal to the idea that history is the story of vast and impersonal forces he is proof that one person intrepid ingenious determined can make all the difference
