

An anatomical illustration of the human skeletal and muscular systems. On the left, a white, semi-transparent skeleton is shown in a standing pose. On the right, a muscular system is depicted with detailed, reddish-brown muscle fibers and tendons, also in a standing pose. The two figures are positioned side-by-side, with the muscular system appearing to be a more detailed or 'filled-in' version of the skeleton. A large, dark gray spiral watermark is centered in the background. The text 'THE SKELETAL AND MUSCULAR SYSTEMS' is overlaid in the center in a bold, white, sans-serif font.
