The Soul of The Soldier: Sketches From The Western Battle-Front Thomas Tiplady, 2021-01-01 The sketches in this book and in my previous one *The Cross at the Front* are attempts to show the soul of the soldier serving in France as I have seen it during the year and a half that I have been with him It is a padre's privilege and duty to be the voice with which in public worship the soldiers speak to God and through which their last thoughts are borne to their friends at home He is their voice both when they are sick or wounded and when they lie silent in the grave He speaks of their hopes and fears hardships and heroisms laughter and tears As best he may he tries to tell to those who have a right and a longing to know how they thought and how they bore themselves in the great day of trial when all risked their lives and many laid them down Preface
