

Grade 7 Mock Test 3

Part 1: Reading

Read the following letter and then, answer the questions that follow.

Hi Mohamed!

I hope you are doing well in your exams. In this letter, I am going to tell you about what happened to us last Saturday.

It was a sunny and cool day. My family and I felt a bit bored at home, so we decided to have a picnic on the beach. When we arrived there at 10.00 a.m., I helped my parents pitch our tent. 20 minutes later, my mum and sister started preparing lunch while my dad and I got our fishing tackle ready for fishing. Unfortunately, one hour passed without catching any fish, probably because the sea was dirty with rubbish and oil. Suddenly, we saw something fighting underwater in another part of the sea. We quickly went there and to our amazement we saw a desperate tortoise trying to escape from an old fishing net. What a terrible sight! My father took a sharp knife and immediately dived into the warm water. He cut all the threads of the fishing net and saved the life of this poor animal. How great to see it swimming in the sea again!

Later that evening, we drove back home without fish, but we felt proud that we had saved the life of an already endangered species. We also felt angry because some people continue to throw their rubbish into the sea, which damages the natural habitat of sea animals.

That's all for now. In your next letter, please tell me if you have encountered a similar event in your life.

Love,
Nizar
