Captured and Enslaved Alaba Ajiye, 2016-11-08 Okiki was captured chained shackled manacled and whisked away from his ancestral village on the day one that his life ambition would have been fulfilled He was cargo to servitude across the Atlantic Ocean He escaped death by a whisker when he took part in the insurrection that attempted to set slaves free from chains during the perilous middle passage voyage that took him to a sugar plantation in Pernambuco Soares was one of the slaves that trekked 1 870 kilometers to Calabouco from Pernambuco both in Brazil under grueling and callous condition after his masters decided to relocate to a bigger plantation far away from where they were to continue the inglorious trade Later he became an inheritance of his new slave master who took him to Saint Michael Barbados in the Caribbean and finally to Charleston South Carolina USA by his master who appointed him valet and subsequently butler Jackson Fey a Yoruba slave enjoyed the largesse of freedom when the dastardly act was abolished He chronicled personal events and happenings around him during his captivity in major slave plantations and documented them in a manuscript where he described slavery as days of darkness and gloom days of clouds and of thick darkness as morning spread upon the mountains This he also summarized in his native dialect as Iparun Nla literary means the greatest destruction the world has ever witnessed in Yoruba Steve McLaren a Scottish scholar was privileged to lay hands on the manuscript He had a personal interaction and shared in the grief and feelings of what enslaved Africans went through having been unsatisfied with the available materials a popular librarian offered him and the information he gathered personally on plantations With misty eyes and pangs of horror he recalled how the entire black African race was almost annihilated by

European slave merchants and Africans had to endure years of contempt and obloquy some of those acts were rendered in mnemonic interjections captured by his feelings emotionally delivered from the thought of victims Albert McLaren carried on with the promise his great grandfather gave to Jackson Fey a freed slave to continue activism against any form of slavery He chronicled the history of sexual slavery exposing the technicality of the traffickers ploy and shared individual experiences of some captors proffering solutions on how the world may conquer or mitigate sexual slavery and human trafficking During one of his presentations Linda Rowenski sold into slavery by a family friend gave her vivid and loathsome testament in the hand of her ogre exactor who the arm of the law caught up with in unprecedented vagaries *Haiti and Haitians, the 911 Call* Printing Systems, 2005 *Slavery and Slaving in World History: A Bibliography, 1900-91: v. 1* David Y Miller, 2019-07-23 This bibliography of 20th century literature focuses on slavery and slave trading from ancient times through the 19th century It contains over 10 000 entries with the principal sections organizing works by the political geographical frameworks of the enslavers **The World of the Haitian Revolution** David Patrick Geggus, Norman Fiering, 2009-01-21 These essays deepen our understanding of Haiti during the period from 1791 to 1815 They consider the colony's history and material culture as well as its free people of colour and the events leading up to the revolution and its violent unfolding *Haitian History* Alyssa Goldstein Sepinwall, 2013 Despite Haiti's proximity to the United States and its considerable importance to our own history Haiti barely registered in the historic consciousness of most Americans until recently Those who struggled to understand Haiti's suffering in the earthquake of 2010 often spoke of it as the poorest country in the Western hemisphere but could not explain how it came to be so In recent years the amount of scholarship about the island has increased dramatically Whereas once this scholarship was focused on Haiti's political or military leaders now the historiography of Haiti features lively debates and different schools of thought Even as this body of knowledge has developed it has been hard for students to grasp its various strands Haitian History presents the best of the recent articles on Haitian history by both Haitian and foreign scholars moving from colonial Saint Domingue to the aftermath of the 2010 earthquake It will be the go to one volume introduction to the field of Haitian history helping to explain how the promise of the Haitian Revolution dissipated and presenting the major debates and questions in the field today
